From beginning
to beginning
Life swiftly flies
from one adventure
to another.
In everything
the truth lies -
Seek it earnestly in
all matters!

Be not dismayed
if the events
of the day appear to
turn against you.
Keep faith in
yourself
and love for your friends -
You're sure to gain
wisdom before
the day ends.

Fear not the
changing of time
nor despair the passing
of your youth.
Welcome the future
while remembering -
One end may be the
path to another
beginning.

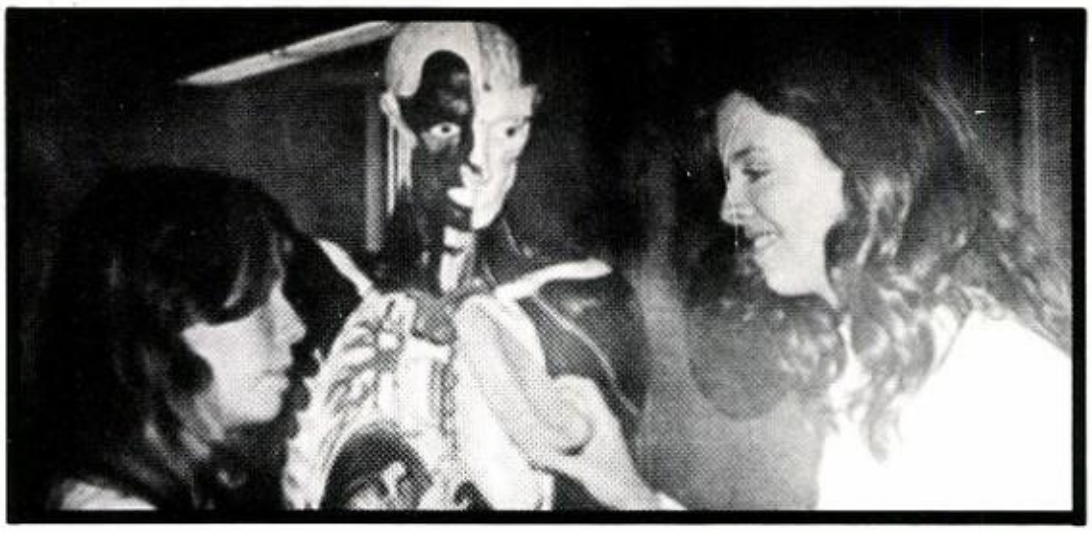
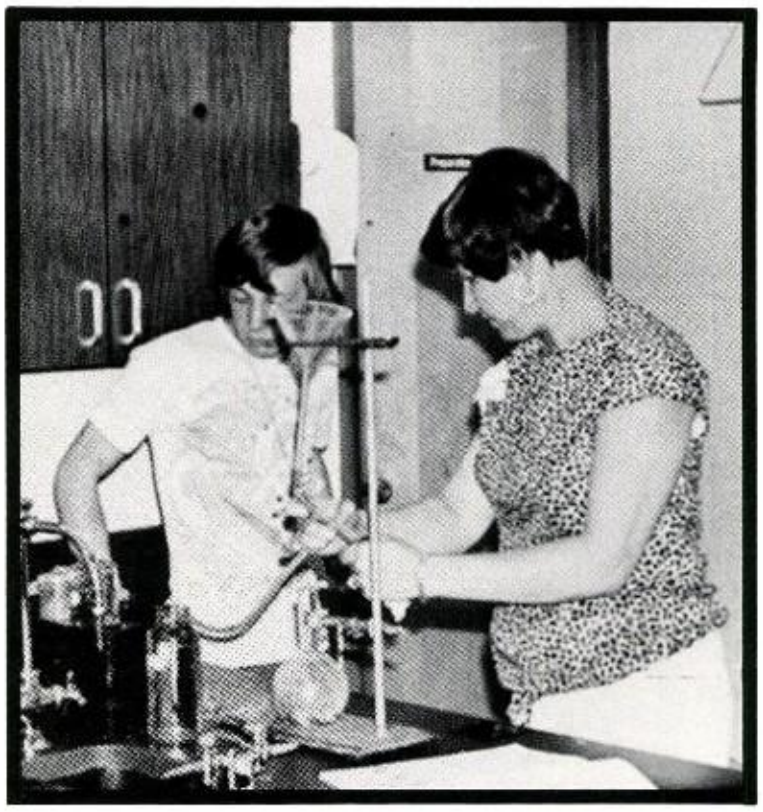
Science



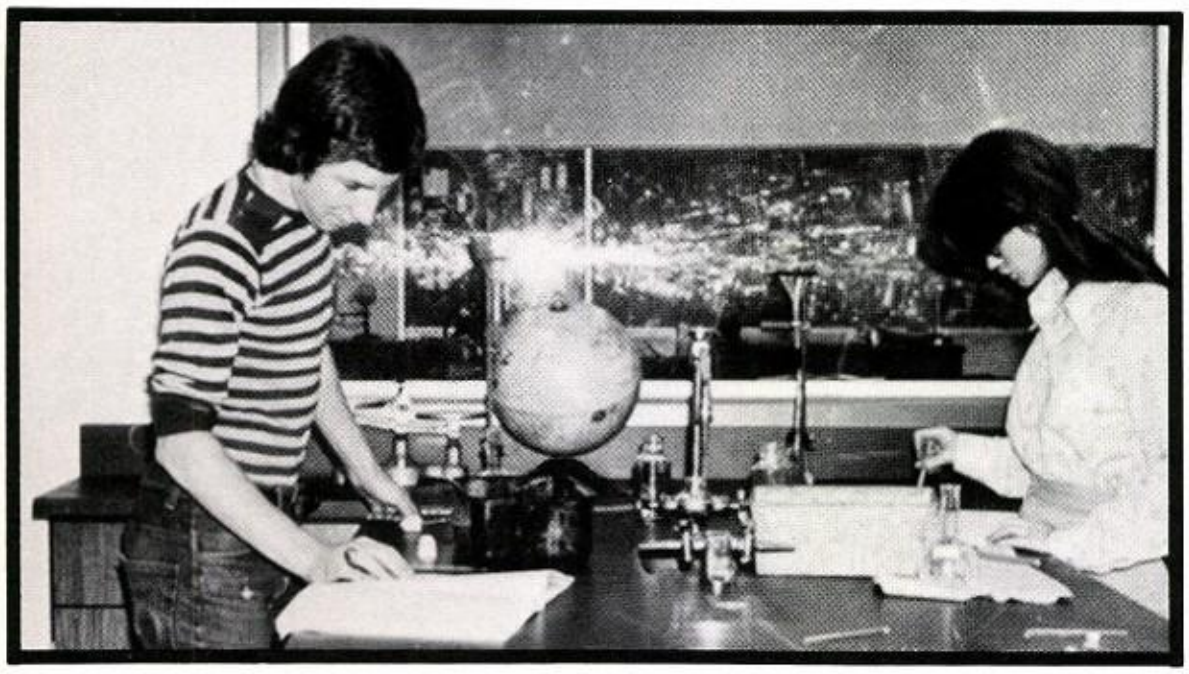
Pam and Kay cannot find a place to put the large intestine.

Kelly and Denise perform an operation on Diggim.



Cliff and Mrs. Wright display their scientific ability.

What does Shelli have?



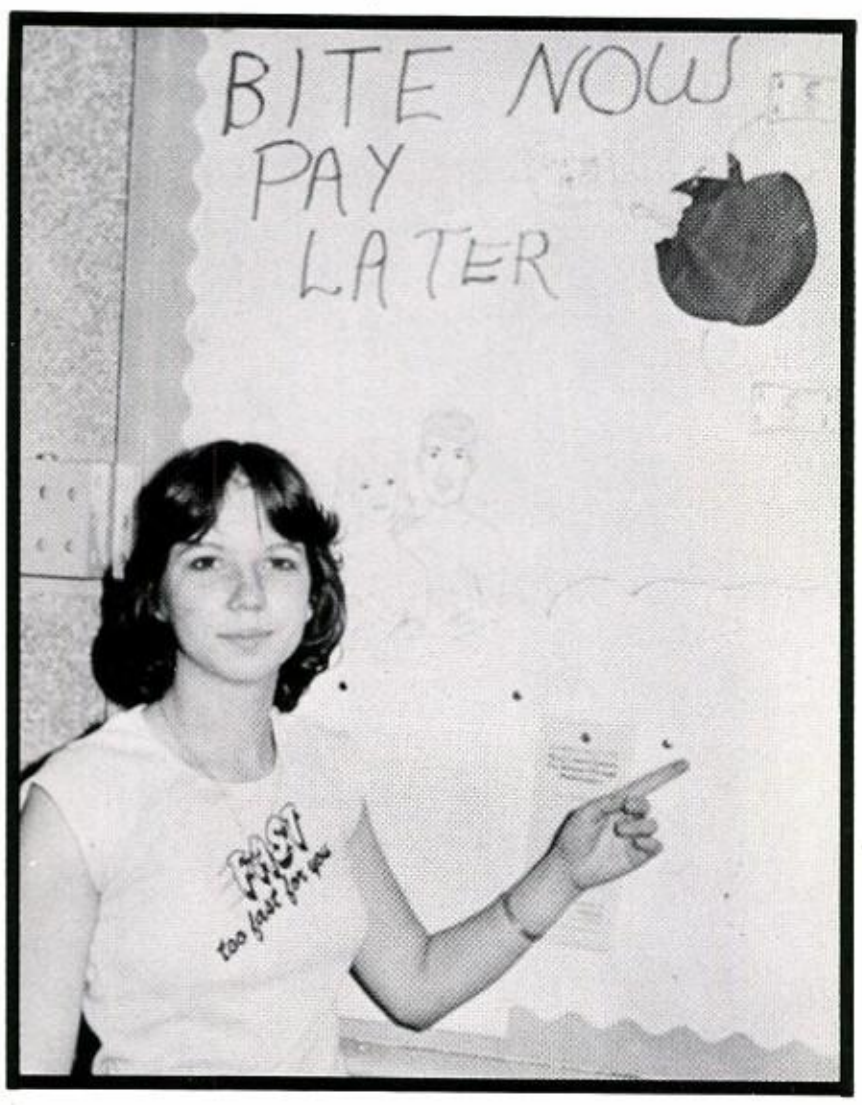
Don't Terry and Janet look like they're having fun?

Math

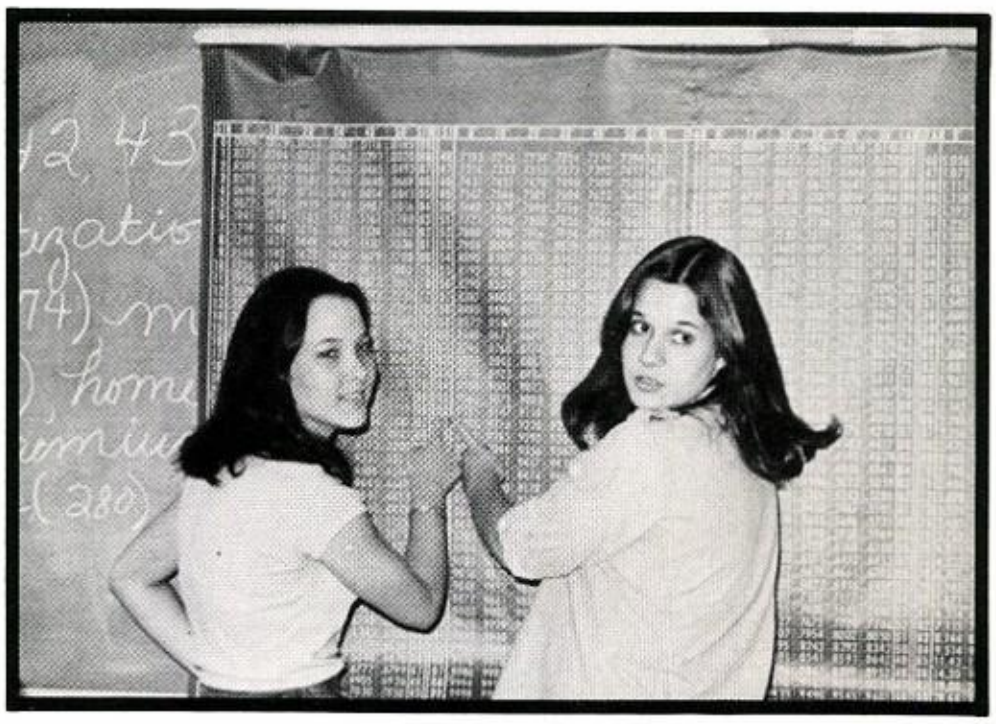
Carl "lectures" the class on "contig."

You can't hide at the back of the class, Mrs. Baker.

Laurel Klein displays her geometric figures.



Can Cheryl solve this consumer problem?



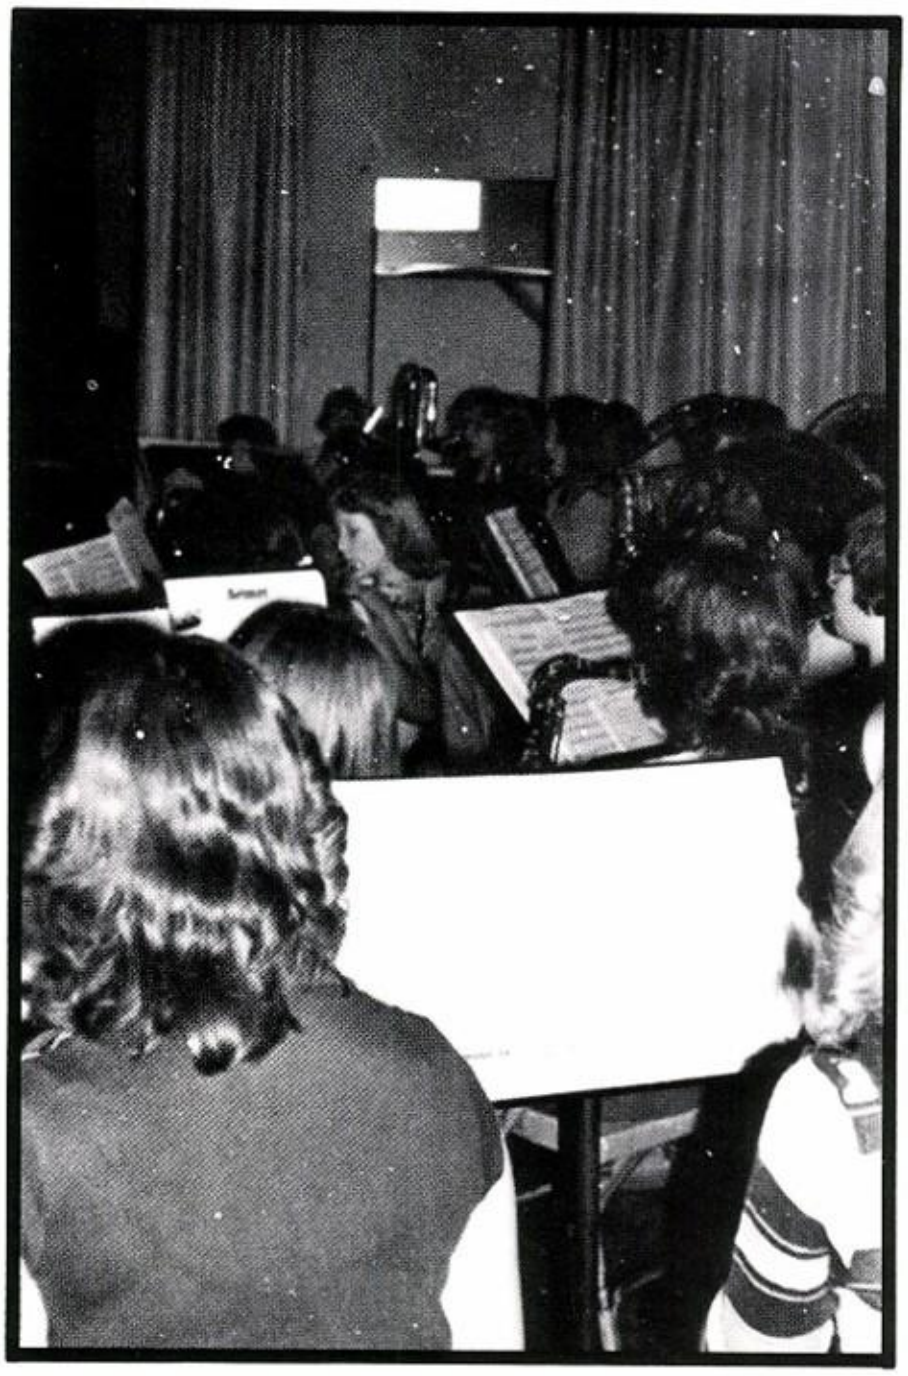
"Is this the place, Mrs. Baker?" asks Lisa and Darlene.

Linda and Lori are "tied up in knots" with macramé.

Stan and Dean show their artistic ability.

Fine Arts

Gary is getting ready to "toot his horn."



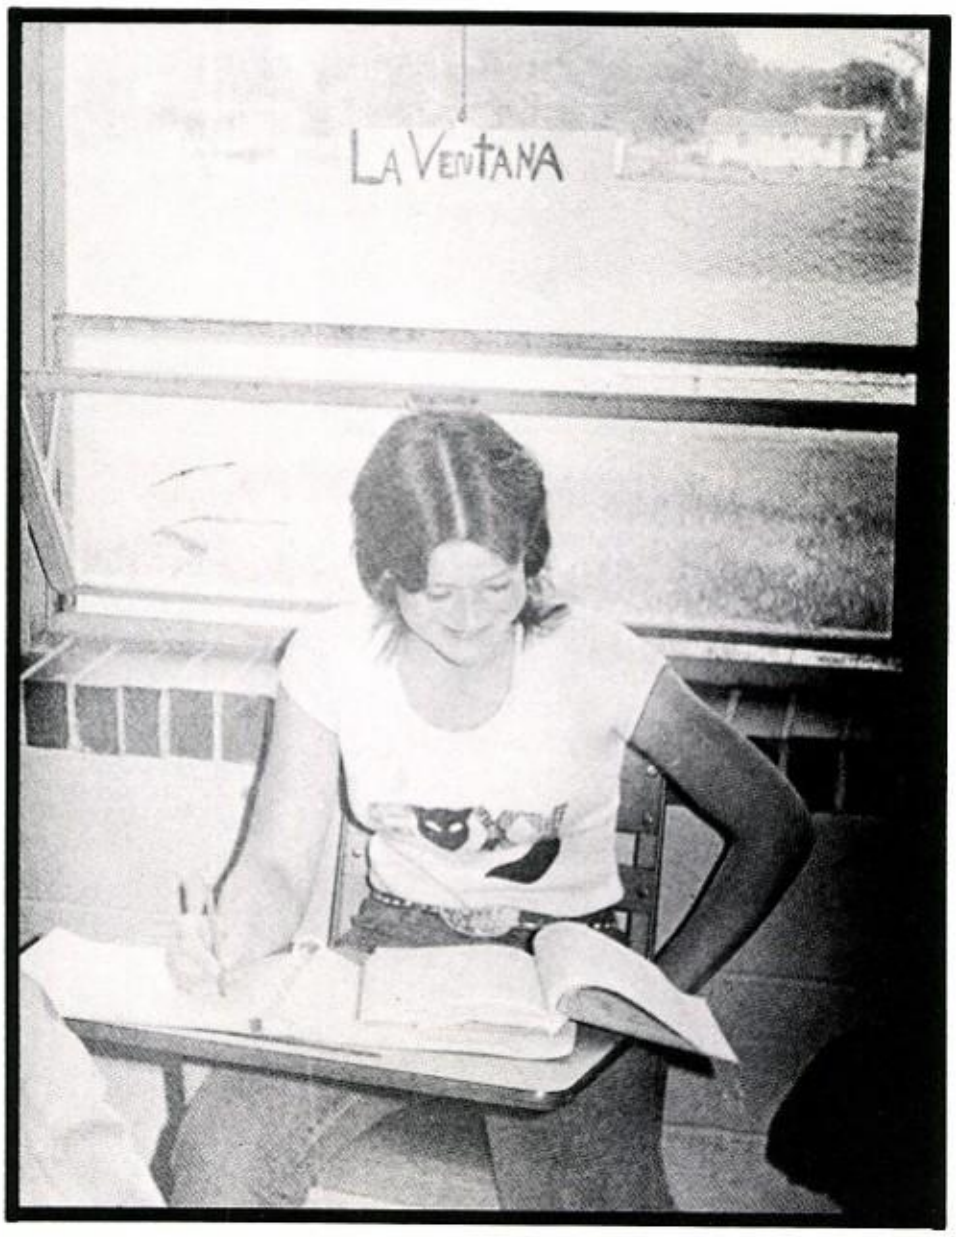
Playing in the band takes preparation and effort.

Whoops! I made an error!

Mrs. Harrison asks, "Come está usted?" (How are you)

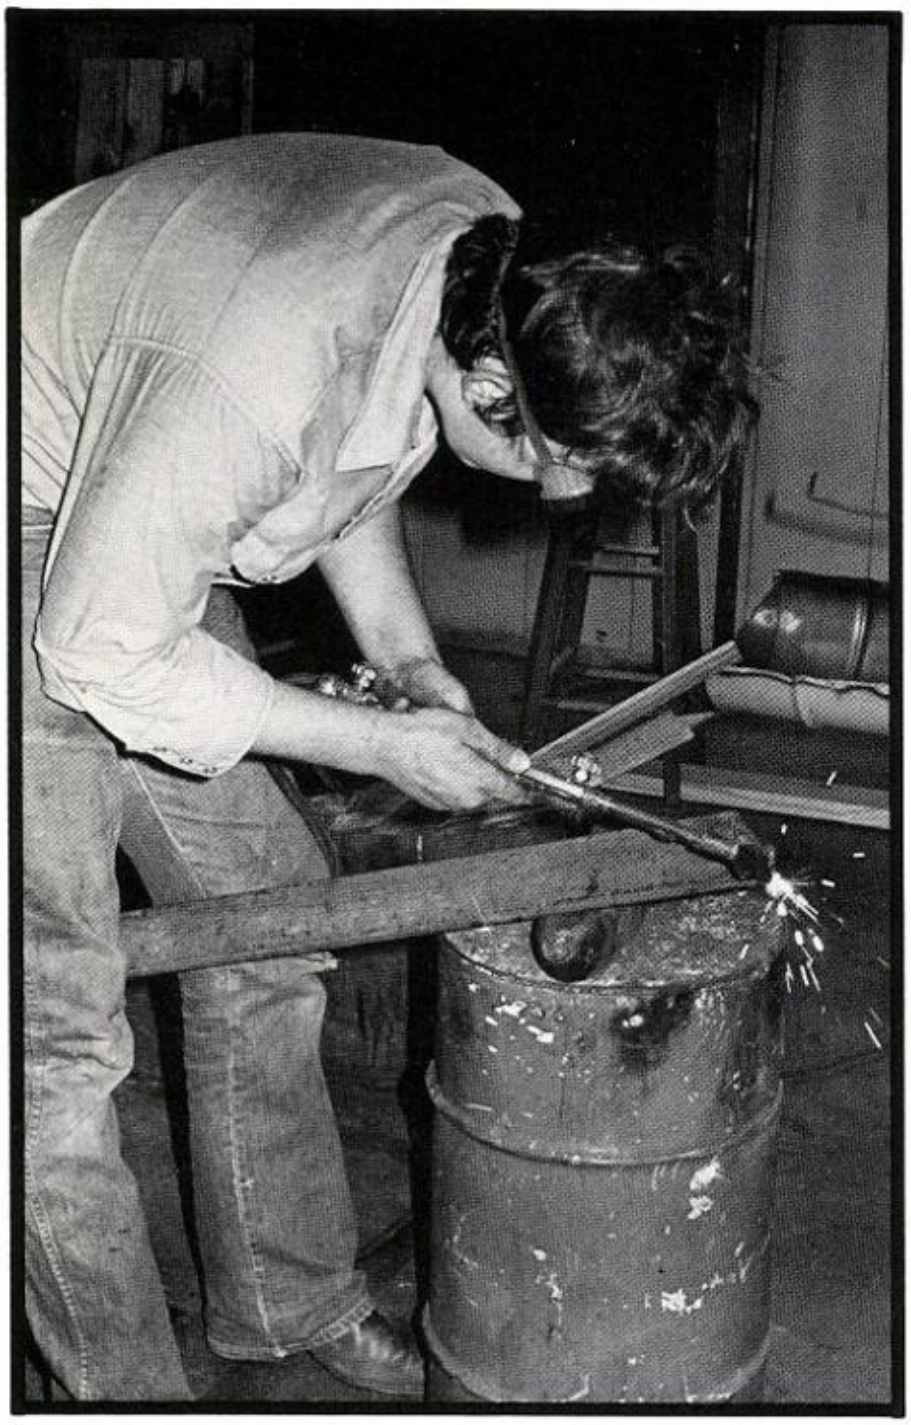
Language

Melanie sits below la ventana (window).

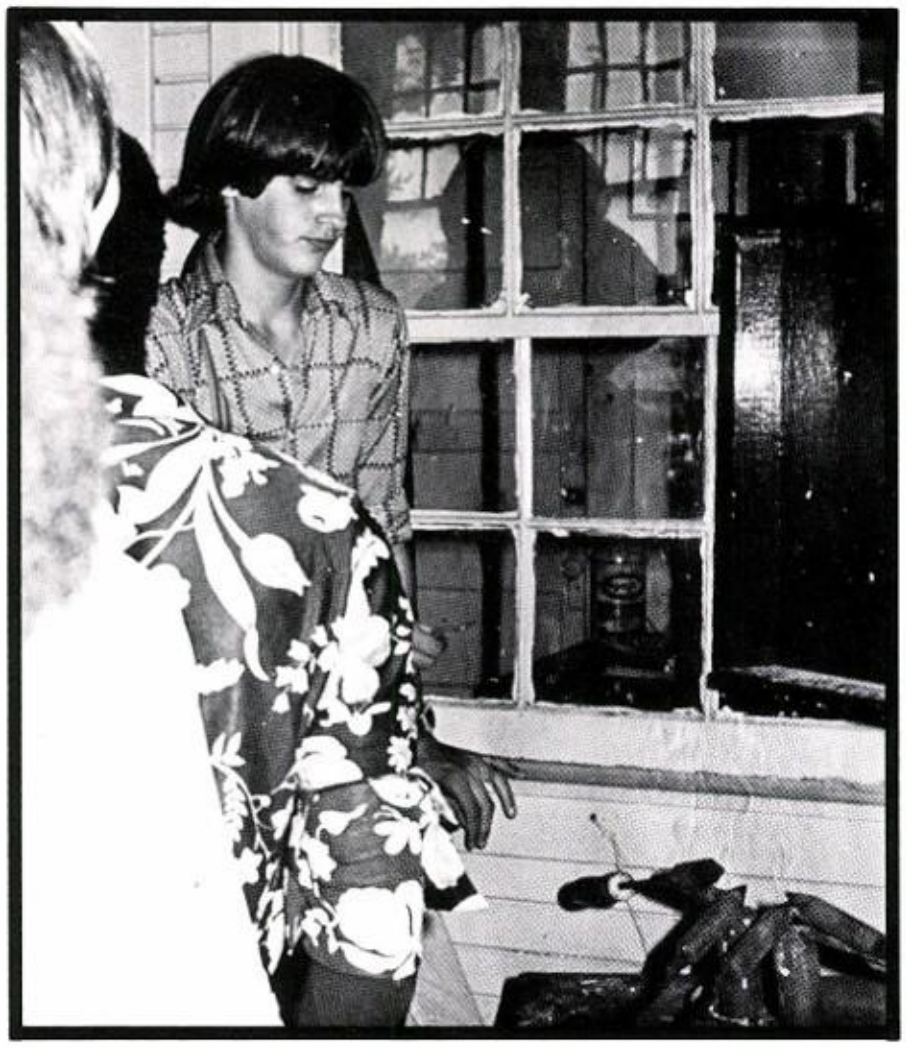


Mattlene and Barbara count their pesos.

Agriculture

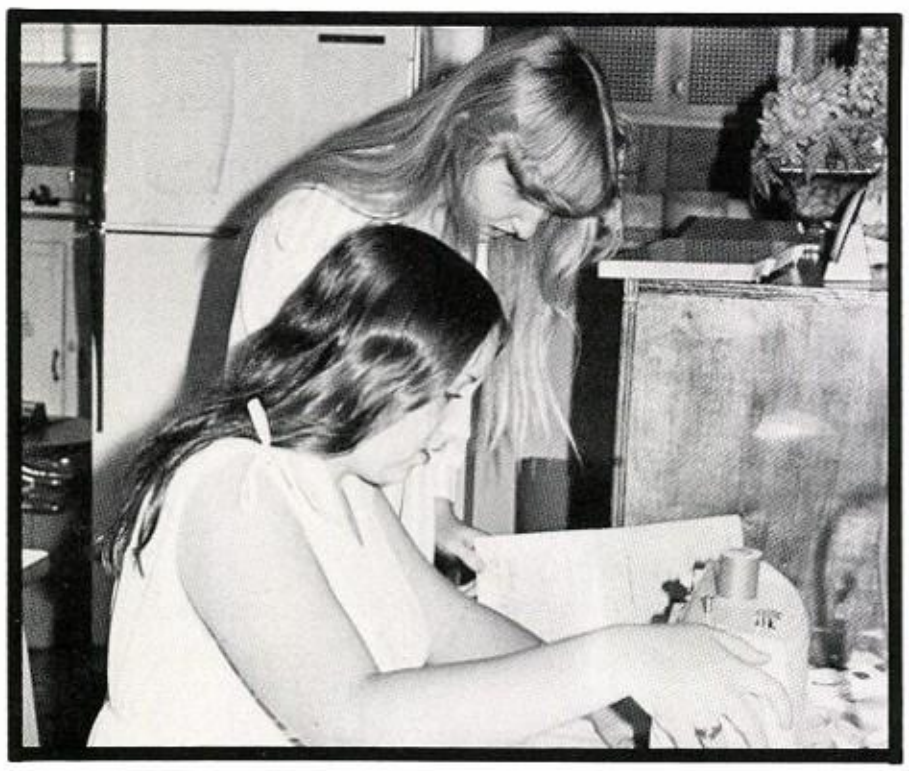


"I hope I don't ever have to do this for a living," thinks Glen.

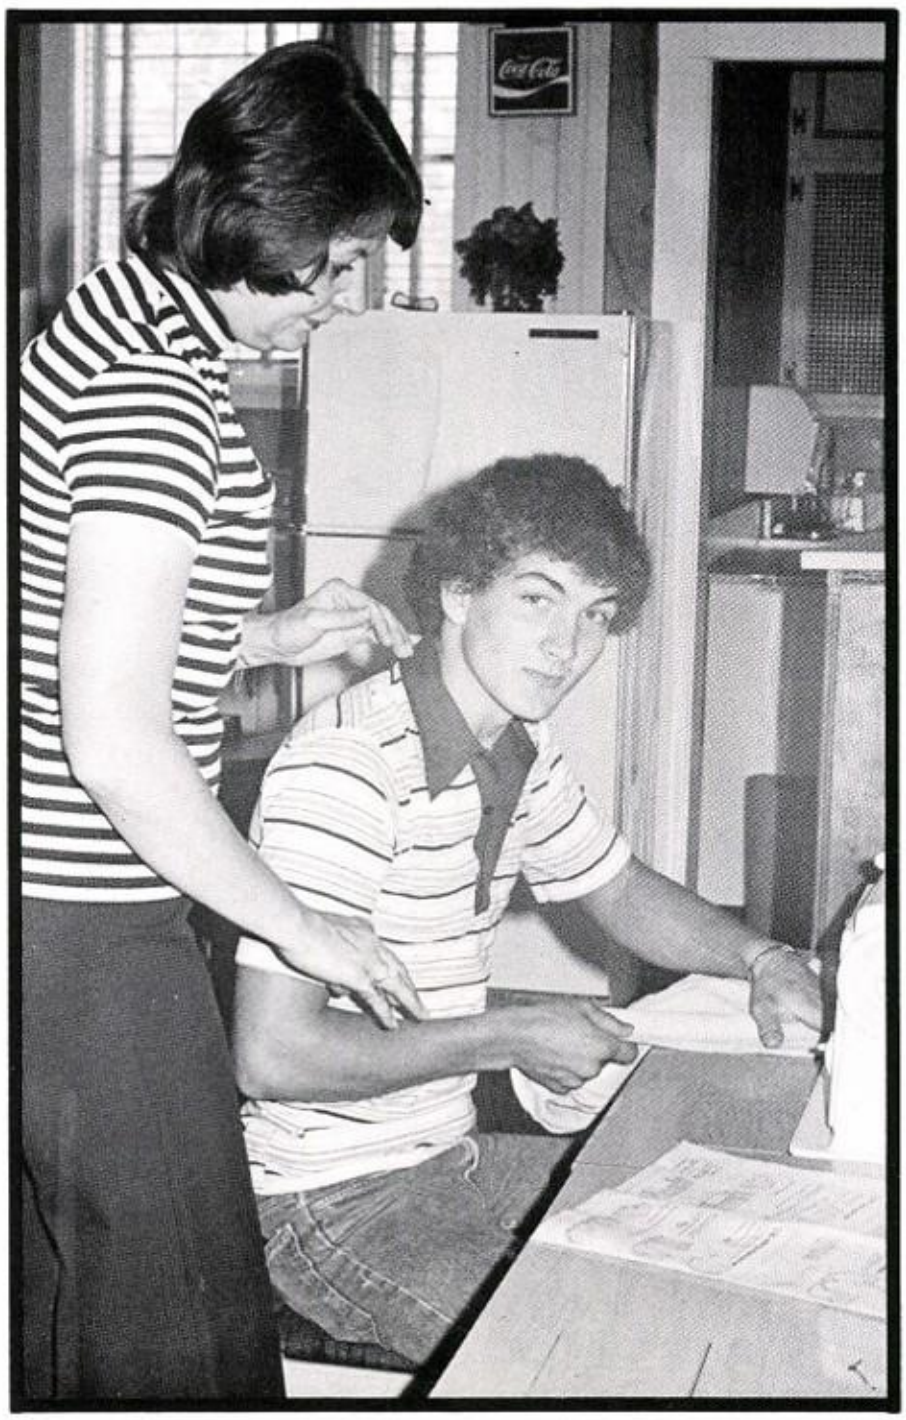


Walter wonders if that fire is as hot as it looks.

Home Economics



"I don't care what the guide sheet says; I'm going to do this MY way," exclaims Shirley Beth.



Dwayne learns how to sew.

Jr. High "Fifties" Day

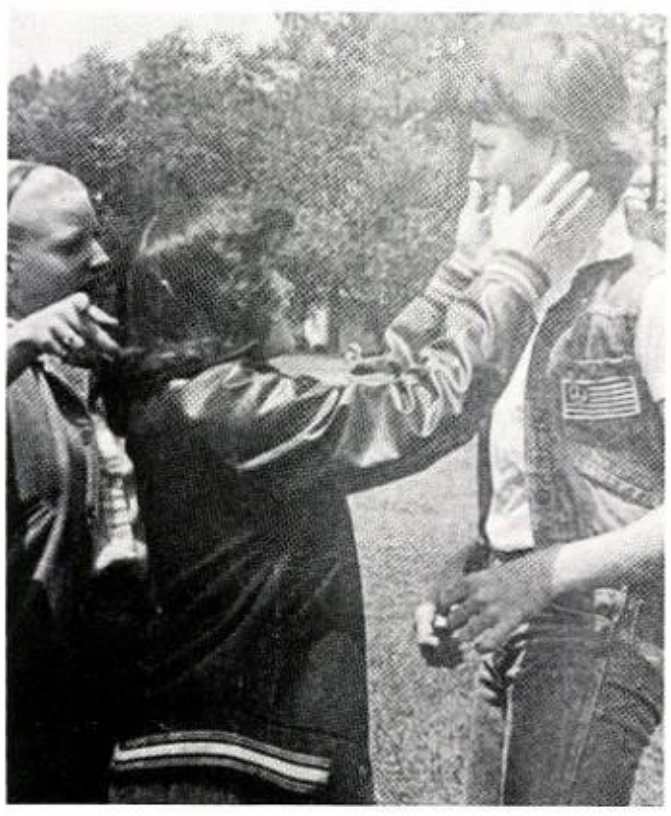
One of the more exciting days at Junior High in 1978 was Fifties Day, sponsored by the Junior High Student Council. The students not only dressed in leather jackets and bobbie sox, etc., but they were heard to be making such comments as "doin' the bop", "Blueberry Hill," and "ducktails." Mr. Babcock surely felt right at home.

Mrs. Oglesby is escorted by two "cool dudes."

Even Mrs. Sharp gets into the "swing" of things!

"Ladies of the fifties."

Fonda "Bunny" Farmer enjoys herself.



Wow! This dude's got whiskers!

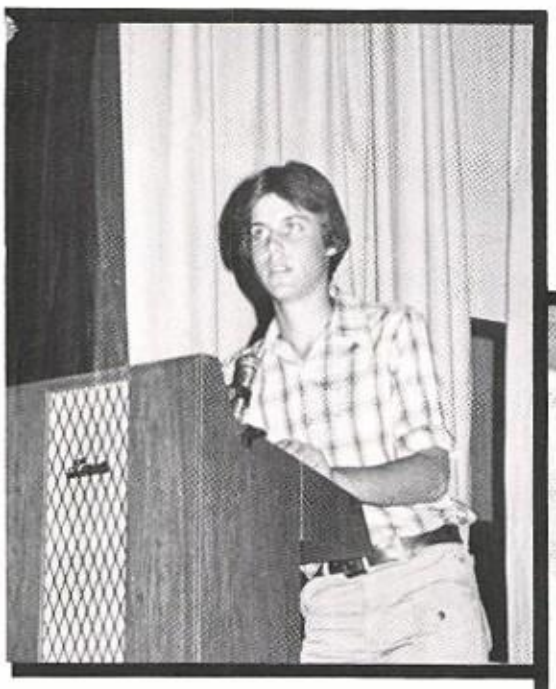
Student Council Activities

The Student Council has been active this year in many projects. We presented a "Miss Sweet Thang Pageant" to help the late Mr. Williams after his trailer burned. We also had prominent leaders from our area to speak at assemblies. One was Representative Charles "Bubba" Wade. The S.C. bought picnic tables and trash cans with the proceeds we received from our dances. We also met with the student body and searched for ways to better our school.

One of the duties of S.C. was to raise and lower the flags in the morning and afternoon. Another duty was to change the announcement board in the hall and outside each week.

The students were more enthused and excited about the S.C. elections this year than in recent years. Candidates put signs in the halls, in the bathrooms, and anywhere they could find a place - whether right or wrong.

"As a whole this has been a successful year for the Student Council," says advisor Norma Smith, "and we're looking forward to another productive year."



This is me!

National Honor Society

The new members are Sheri Broomfield, Senior; Sherri Brown, Darlene Hefner, Martine Johnson, Dean Klug, Lana LaVoice, and Martha Monroe, all Juniors.

THE 1977-78 OFFICERS: Cliff Oglesby, president; Gerri Miller, vice pres.; Janet Rose, sec.-treas.; and Kathy Pieratt, reporter and SC representative.

One highlight of the year Was seeing Dr. Joyce Brothers at TCC.

Mrs. Harrison talked us all into "dressing up!"

Darlene and Sherri enjoyed themselves at the NHS reception.

National Honor Society inductions were held on February 10, 1978. Presiding over these inductions were the officers.

Afterwards, a reception was held in the home of Mrs. Charles Harrison, NHS advisor.

Besides going to hear Dr. Joyce Brothers speak, the NHS served at the North Central Committee banquet.

Are the old members teaching the new members bad things already?!

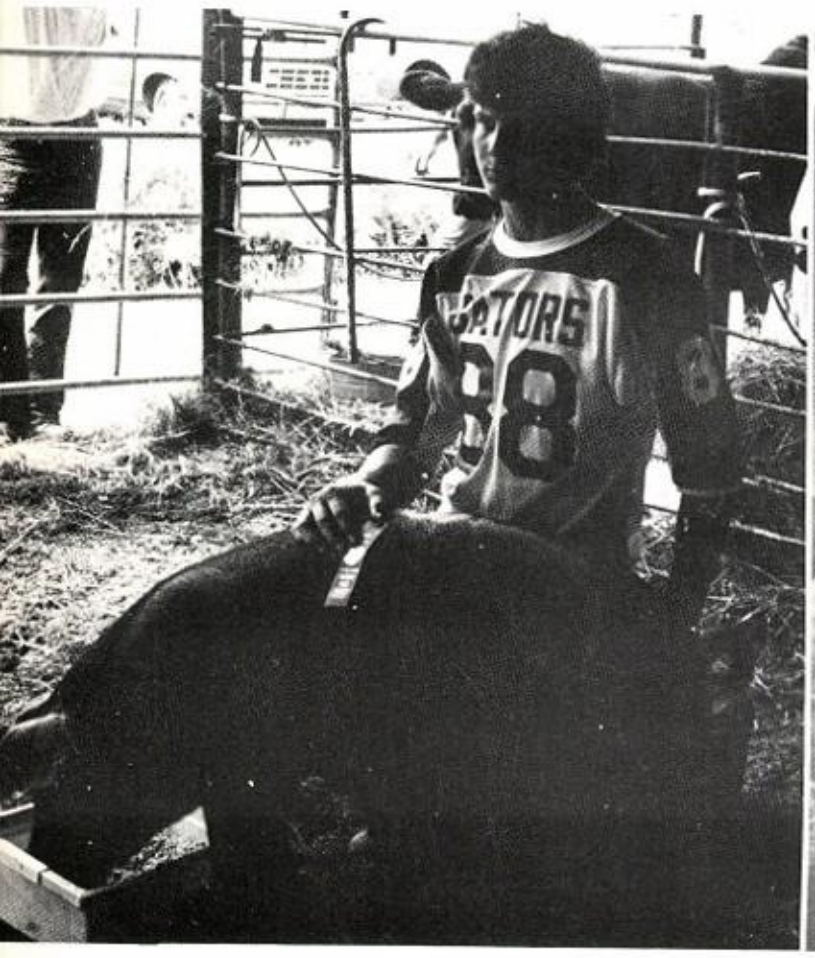
The first of the year got off to a slow start. In October the F.F.A. made a trip to Hope for district judging. They had a chance to judge livestock, forestry, tools, and electricity.

During football season members worked hard popping popcorn. The money was used for the F.F.A. trip to Fort Worth, where members attended the Fat Stock Show and Rodeo. After the trip the parliamentary procedure team worked hard learning the rules to carry on meetings. They participated in a contest at DeQueen. During the last of March the judging started in full force. Preparation took many hours of study to learn how to read a score card. The largest FFA highlight of the year is the rodeo. This year's rodeo has been called by some "a huge success." The year was topped with a fish fry at president Mark Halliday's cabin.



Stan shows his "pig-chain" pig.

FBLA

One of the Most Active Organizations on Campus

"Are you gonna join FBLA this year?"

"Aw, I don't know. It was pretty good last year, but this year all that might change."

Well, it didn't! We FBLA'ers worked all year long, and had fun while we were doing it.

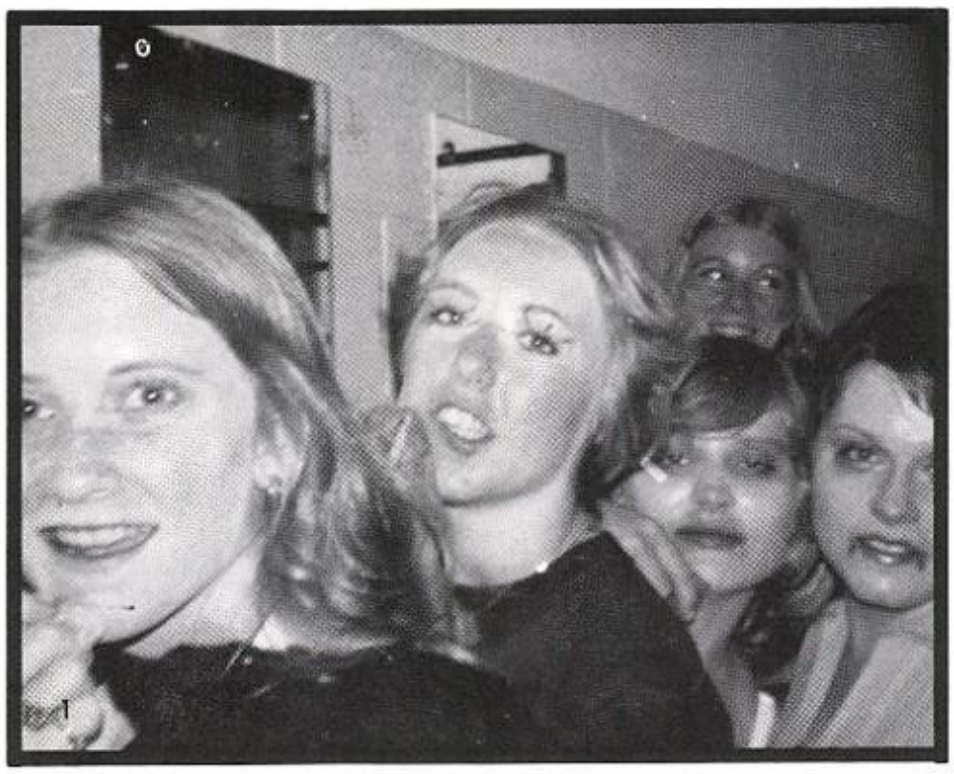
At the first of the year we went to the District IV Fall Conference in Hot Springs, had our annual car wash and a dance, and we held a Halloween Day at school.

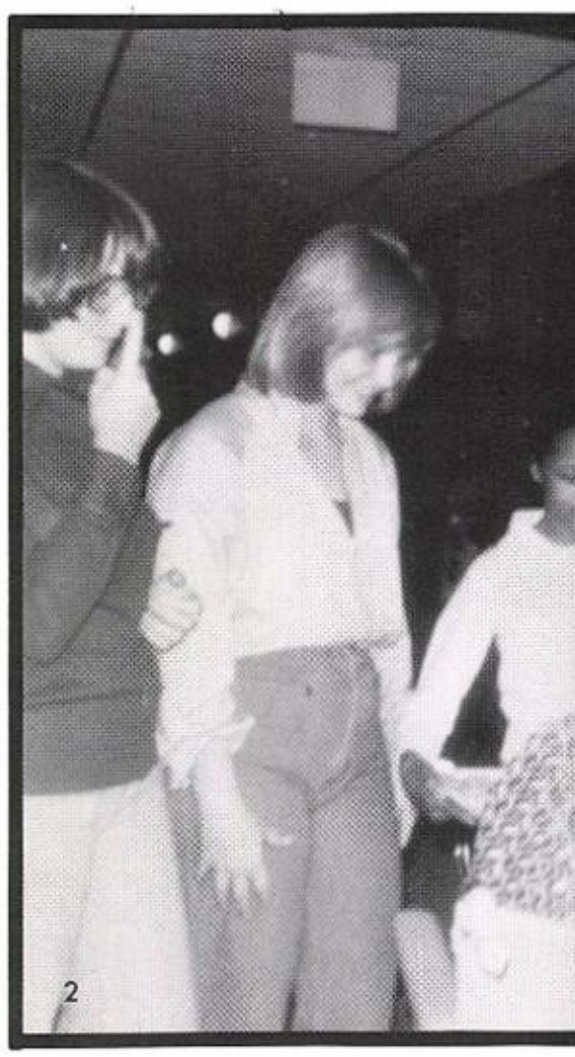
Then on November 19th, FBLA'ers helped the PTA out by sponsoring the Spook House at the Harvest Carnival. For Thanksgiving, they took cookies and punch to the Little River Nursing Home in Ashdown. They talked and laughed with the residents, and learned that old people are just like everybody else, only they've lived longer. For Christmas, FBLA entered a float in the Ashdown Christmas parade. It featured carolers on the lawn of a snowy house, but the effect was ruined when the float was placed directly in front of the Ashdown band. The carolers were drowned out, but at least we tried. Also during the winter, FBLA'ers sold Kathryn Beich candy bars, a State FBLA approved project.

With the arrival of spring came the District IV Spring Conference in Magnolia on March 3rd. There Kathy Klug, Gary Gauldin, and Leigh Ann Cranford all participated in district competition.

For Saint Patrick's Day, FBLA had another dance, where everyone who wore green got in 25¢ cheaper.

The coming of April brought fun and games, but perhaps the best part came on April Fool's Day, when FBLA held a dance with a live band from Texarkana, namely TRAX. This event not only raised the much-needed money to go to the State Convention, but lifted some spirits that were just about snowed under.





1. Ashdown you think YOU'VE got beauties!!
2. Kathy, Martine, Rose, Leigh Ann, and Wilma serve cookies and Kool-Aid to a nursing home resident.

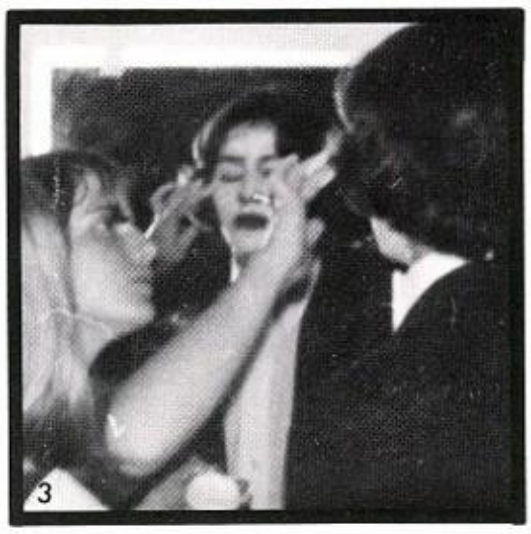
2. FBLA officers for 1977-78 are: Martine Johnson - President; Lana La Voice - Vice President; Sheri Broomfield - Secretary; Martha Monroe - Treasurer; Darlene Hefner - Historian; Lindy Broomfield - S.C. Rep.

On April 14th and 15th, about fifteen dedicated FBLA'ers went to the FBLA State Leadership Conference in Little Rock. No one entered in competition, but Martine Johnson, after weeks of preparation and a lot of help from FBLA members, was elected to the office of FBLA State Reporter.

On May 9th, FBLA sponsored a Tee Shirt Day where everyone at school was supposed to wear an "original" tee shirt. Twylla Bivins won first place with, "If worse comes to worse, I've always got my personality." Kay Murphy got second with, "Before you meet the handsome prince, you have to kiss a lot of toads." Lesia Green took third place with "Candy's dandy, but sex won't rot your teeth."

Saturday, May 20th, brought the FBLA picnic at Millwood where everyone brought their own grub and had a really good time.

1. Wayne speaks at officer installation.
2. Cyclops - 3rd place, Gypsy Queen - 2nd place, Cousin It and Morticia - 1st place.
3. The transformation of Gary to Dracula.



1. EVERYONE worked at the car wash, as Penny shows.
2. Lisa, Deedy, Laquita, and Janet help send out letters for the State Reporter campaign.

3. "Without the help and moral support of those who worked to elect me, I couldn't have done it." M.J.

According to president Martine Johnson, ". . . The whole year was a fantastic success; 'with a little luck,' it will be continued in the years to come."

Girls' and Boys' State

Every year the Arkansas American Legion Auxiliary sponsors Girls' State and Boys' State. This year, Girls' State was held at Ouachita Baptist University in Arkadelphia during the week of June 5-11, 1977. Boys' State was held at University of Central Arkansas in Conway from June 4-10, 1977.

There was a lot of information to be learned in one week's time. Besides learning about the Arkansas Government and its functions, duties, elections, and procedures, a sense of individual obligation as leaders was developed. Also, the delegates learned the principles of democracy, freedom, and justice, upon which America was founded. The main goal of Girls' and Boys' State is to see these principles practiced and safeguarded by these leaders.

Those attending were Janet Rose, Kathy Pieratt, Margaret Rolfe, Archie Cody, Terry Elder, Danny Hawkins, and Elvis Daniels.

Everyone visited Arkansas' State Capitol at Little Rock.

Governor David Pryor spoke to both girls and boys.

ANNUAL PICNIC

'Twas the day before deadline
And all was not right,
Not a creature was stirring
Not even a mite.
We editors screamed
At the top of our lungs,
''Sponsor dear sponsor!
What can be done?
We can't find the pictures,
The photographers are gone,
The dark room is flooded -
This just can't go on!''
Late into the night
We worked (until day),
Got the annual finished,
And sent it away.

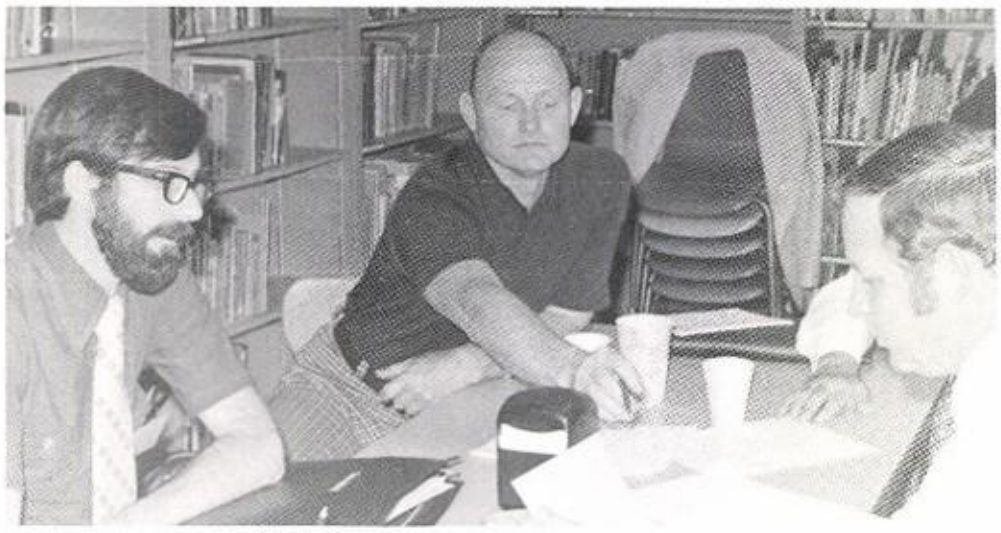
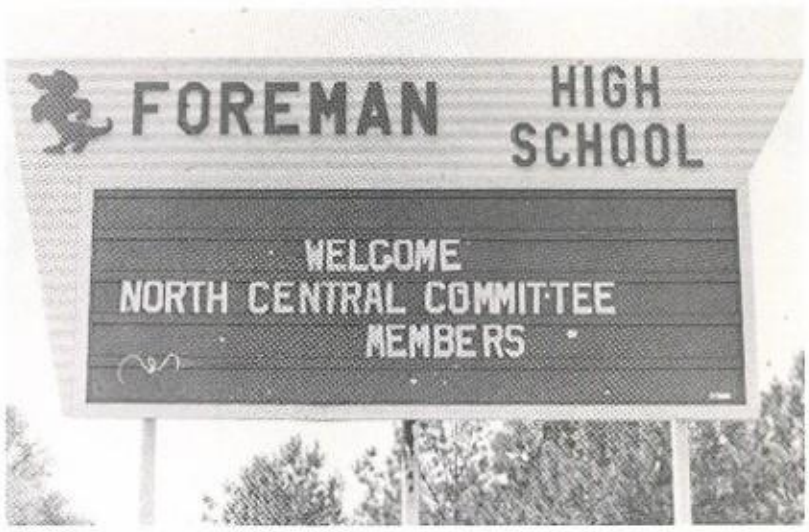
North Central Evaluation!!!

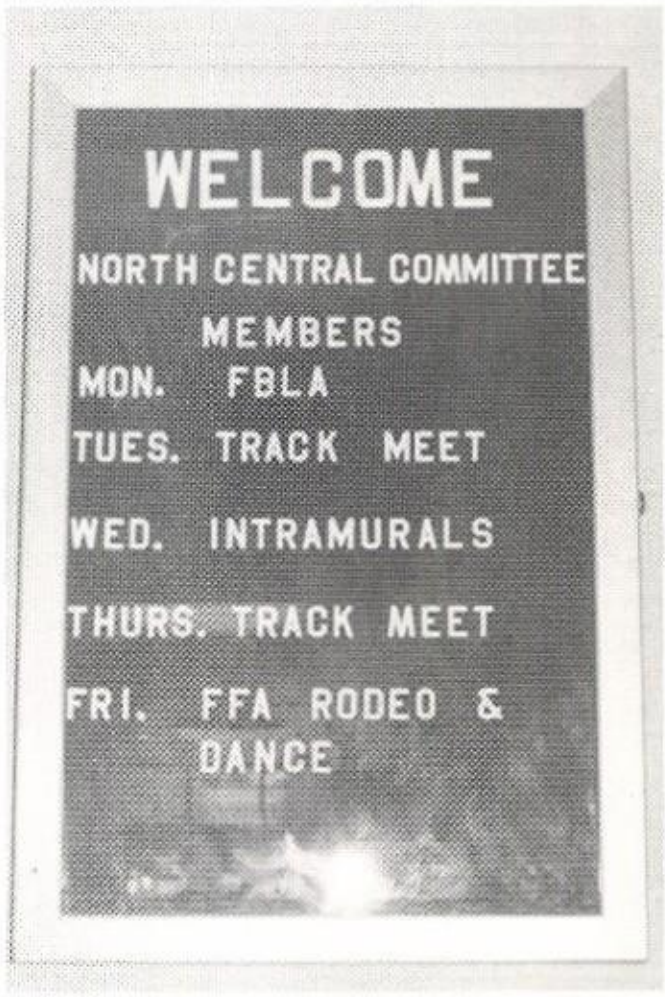




Mr. Walthour says, "Do you believe what that says?"

Mr. Calloway thinks North Central is funny.

I just see one more speck of dust.



Even though North Central came, activities were as usual.

The North Central Evaluation was not ONLY a large success this year - it was also hectic!!! The administration, faculty, maintenance crew, and the students worked continuously toward the magic dates - April 26 and April 27. Yes, Virginia, they really did arrive, and Mr. Smith worked just as hard trying to convince the students that it was worth the effort to prove his point, he gave everyone a one-day VACATION.

Did North Central give Mr. Smith a migraine?

Prom Entertainment

Prom Night 1978 was special in so many ways. CROSS-TIE JUNCTION, Foreman's favorite (affordable) band, played their very best - even until thirty minutes after the prom was officially over. Everyone enjoyed their selection of music. Though it took a few songs to get everyone out on the floor dancing, it turned into a sensational prom.

Prom Night

Here it was - the mystical moment every senior looked forward to. Here was the illusory star-studded sky; here were the romantic candlelit tables; here was an enchanted evening that would last til morn.

Innovation was the key to the decoration of the prom. When the candles that the juniors ordered did not come in, Mrs. Lairmore thought of using champagne glasses as candle holders. They filled the glasses with blue water, tied a silver glitter ribbon around the stems, and put a small white candle in each glass.

Large and beautiful wrist corsages were most popular with the girls this year. Elegant and fashionable tuxedoes were the "latest" thing among the guys.

The elegant STAIRWAY TO HEAVEN (this year's prom theme) that Mr. Lairmore and his agri boys built, held up miraculously throughout the entire evening as everyone posed on it for pictures.

This year's prom was indeed a time to be remembered. For the sophomores as their (most likely) first; for the juniors, as the one THEY gave to the seniors; for the seniors, as their last.

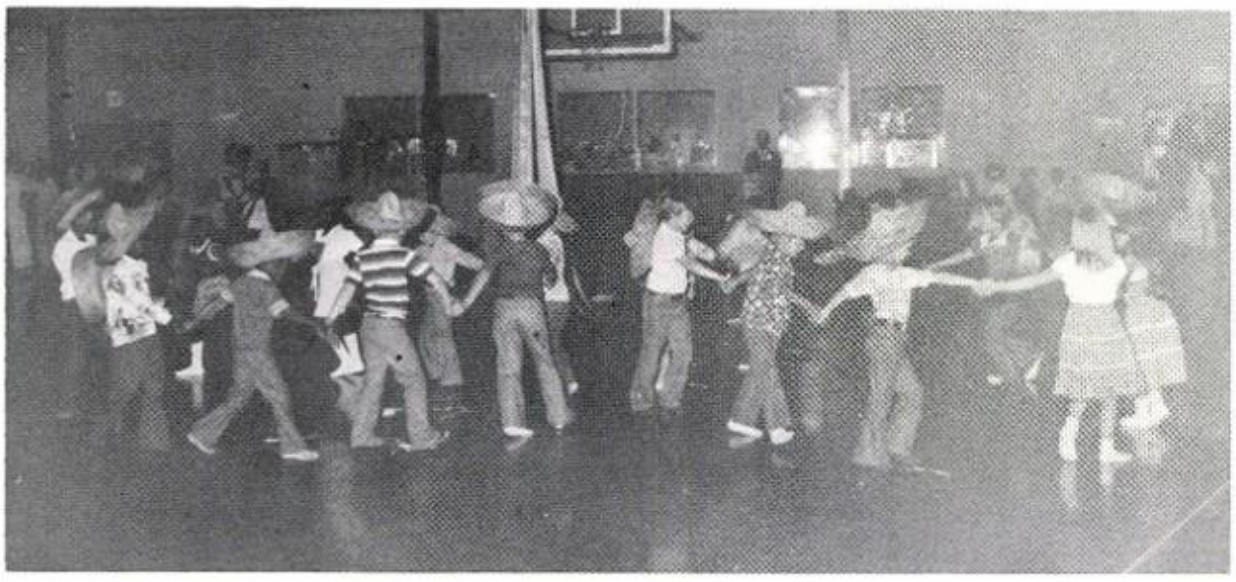
Second grade presented an exciting skit.

Margaret represented the Senior class.



The first grades' Mexican Hat Dance.

On Friday night, May 5th, in the High School gymnasium, Foreman presented its first May Festival.

Excitement filled the air as DeeAnn Wright was crowned Queen.

Kindergarten through twelfth grade kept the entertainment going with folk-dances, singing, baton twirling, and even a banjo player.

The Festival was part of a special fund-raising activity that began in late February.

The May Festival Queen, her eleven Duchesses, and seventeen other contestants helped raise $3,102.11 for the Foreman Doctor's Fund. Miss Wright collected the largest amount, $874.00.

Parts of the Festival were filmed for television by Miss Ann Wheeler of KTAL T.V., Channel 6.

Special guests for the occasion were State Representative Bubba Wade; Superintendent of Foreman Schools, Ray Watson; and the Doctor's Fund Committte: Mr. Ulys Reid, Mr. N. T. Hefner, Mrs. Delores Pullen, Mr. Billy Bob Pyron, Judge Hoye Horn and Mayor of Foreman, Bob Mason.

Speerheading this successful fund raising event was Mrs. Duane Dickens. Special thanks go to her for organizing this festival.

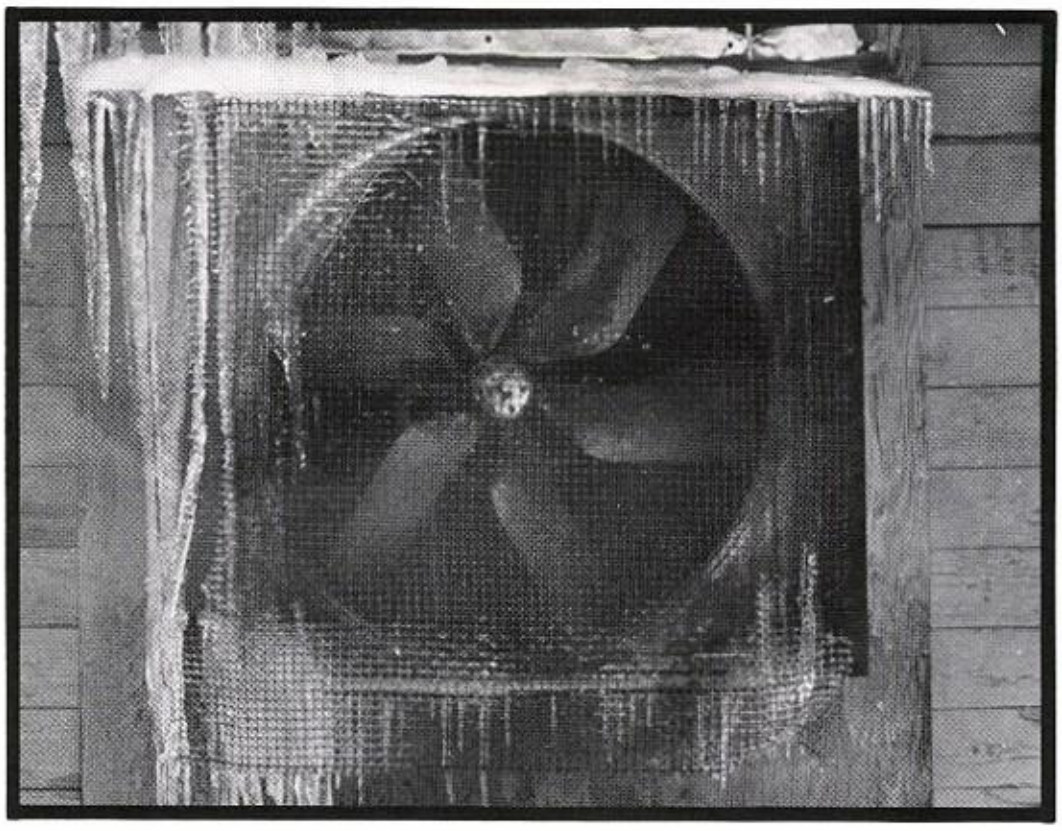
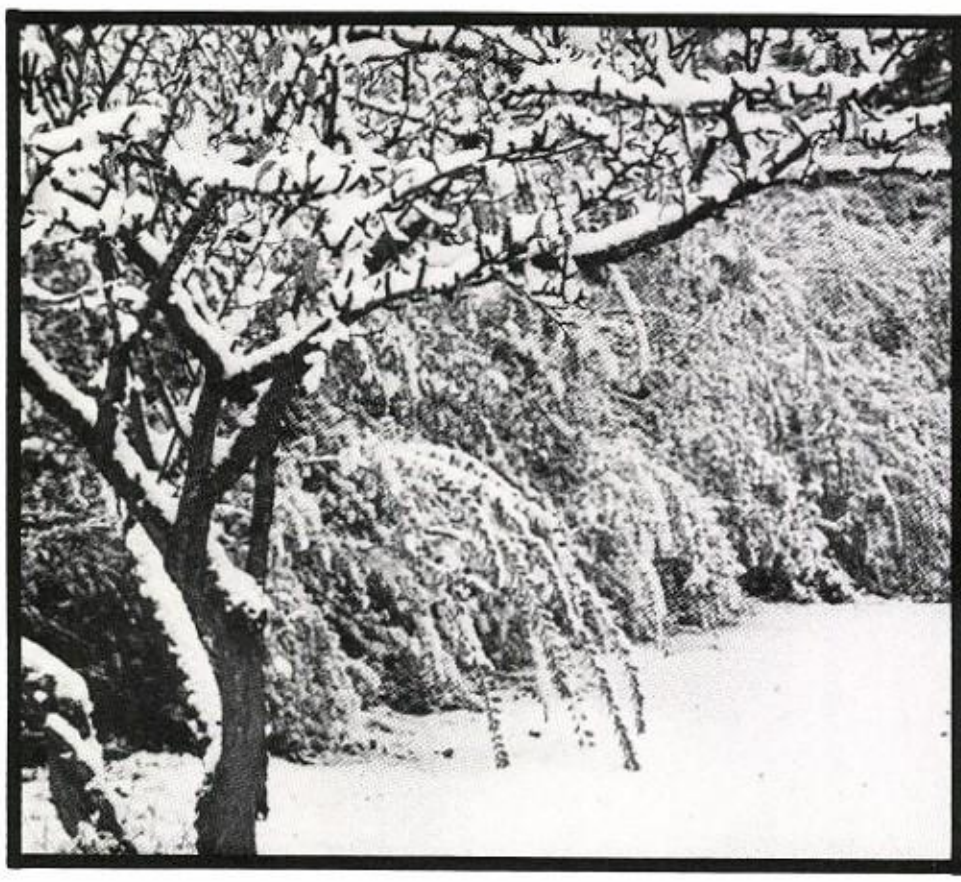
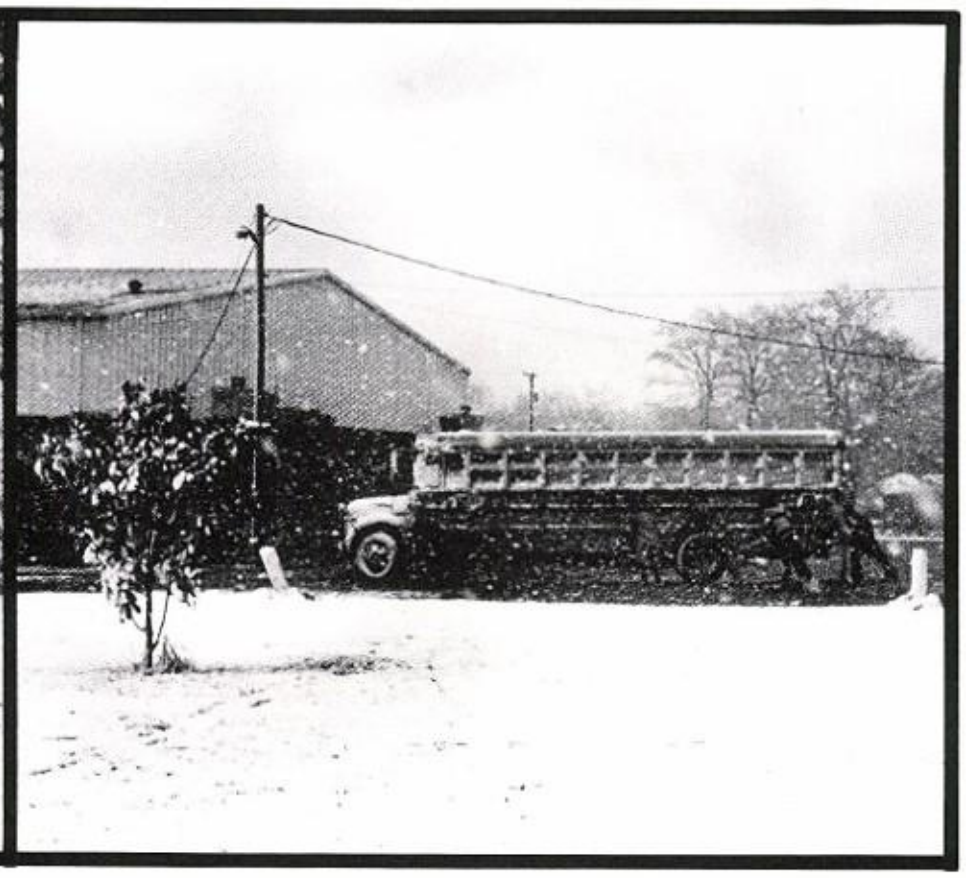
"Ice Age of '78"

How bad WAS the winter of 1978? It was SO bad that . . . we had more days out of school for ice and snow than ever before . . . weather records were set in our area for snowfall and cold temperatures . . . and old timers claimed (sincerely) that it was the harshest winter in this century.

During the winter of 1978, it became a regular practice to get out of school early on a Wednesday afternoon for snow, and not to return until the following Monday. We became somewhat spoiled by this "three day" week. However, what seemed a novelty at first, eventually became a bore! Instead of saying, "Oh, great! It's snowing," students resorted to saying, "Oh, no! Is it snowing again?"







Scenes of the Ice Age

Gators foil the Leopards one more time.

When the junior Gators started training in August, they knew they had a strong team. As the year progressed, both eighth and ninth graders were accepted for how much effort they put out, not what grade they were in. They had "togetherness" going for them, where everyone played team ball, not individual ball.

Coach Mankin worked hard with the boys and was liked for it. As one freshman put it, "Yeah, he griped us out sometimes, but it only made us want to work that much harder."

Some of the games throughout the season were a breeze. But others, like Murfreesboro, took team effort and determination to pull through a win.

For Homecoming, everyone worked out harder and practiced more to really beat Lewisville. It showed, too, when they shut them out; Foreman 24, Lewisville 0.

The Jr. High Homecoming Queen for 1977-78 is ANNETTE ROBERTS. Annette is the daughter of Mr. and Mrs. Paul Roberts. She is a member of the freshman class, FTA, FHA, and has been a Student Council Representative for two years. She is also on the Jr. High Basketball team. Annette's attendants are Shataron Brown and Jeffry Simms. Annette was chosen Homecoming Queen by DAVID DANIELS. David is the son of Mrs. Magnolia Bromsey . He was chosen captain by the Jr. Gator team. His position is running back on the Gator team. David, better known to his teammates as "Too Tall," has been a member of the Gator team for two years.

When asked about David's feelings, he replied, "I am proud of myself and it was real nice of my friends to choose me for the captain of the FJHS football team. It was nice for Annette to say she would walk with me. I was very proud."

"One of the happiest moments in my life!" exclaimed Annette.

"What a thrill it was to be standing before the entire Jr. High!" reflected Annette.

"The roses may die, but my memories of them will not."

"I would have never made it without my uncle."

Homecoming — Oh, What a Week!

Ask anybody even remotely involved in the homecoming festivities, and you'll find that they still remember how hectic it was.

Monday, there was only talk and excitement for the week ahead. Blind enthusiasm clouded the vision of everyone. It was going to be a glorious homecoming - and EVERYTHING would fall into place, just as planned.

Tuesday, there was a scrimmage basketball game for the senior high girls with Horatio, so decorating the Homecoming float was put off until Wednesday.

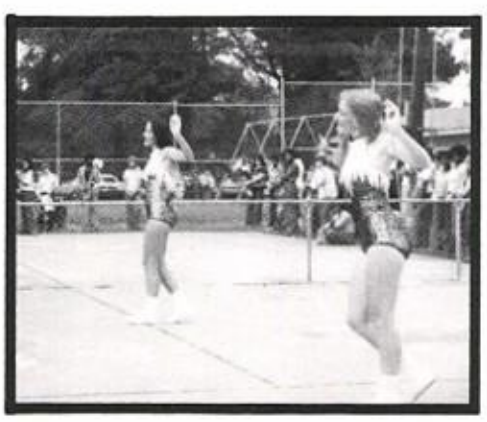
Wednesday . . . that's when the butterflies started migrating south - straight to the maids' stomachs. Right after school, the girls all went to the fair building to decorate the float. Ideas were scarce, but they did a pretty good job in spite of it. Then at 5:00 that night they were up at the football field to practice with their night escorts. Mrs. Baker and Mrs. Wright worried about whether the music would end with the write-ups, if Sheri would get them timed, and if Mr. Calloway would stop the band for Lori. Since some of the girls' escorts weren't there that night, each one was worried, but hoping, that everything would turn out okay Friday night.

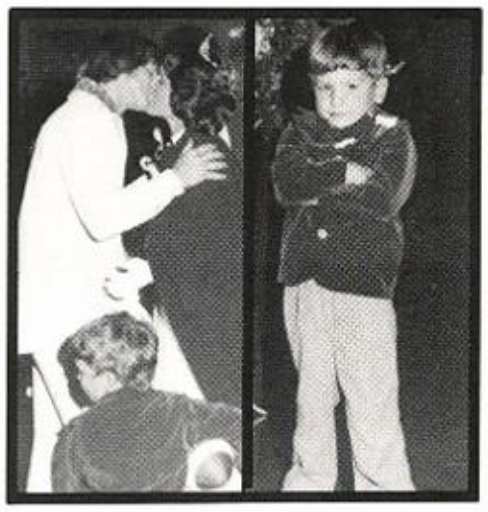
Thursday rolled around, and all the maids had to do was practice walking at noon with the football boys. That night, some went to the junior high football game to take their minds off the cares of homecoming - they'd have enough the next day.

Friday!!! The big day had come at last. Maids were dismissed at 10:10, (the junior maids got out of an English test) and their escorts at 11:10. By 12:30 everyone was at the gym, getting their mug shots taken and getting thoroughly nervous. Mothers busied themselves combing that one unruly strand of hair on their daughters' foreheads, and begged them to flash a pretty smile. But it was Bob who was being difficult today. He simply WOULD NOT smile for pictures!

Just as the pictures were being finished, somebody accidentally tipped over one of the flower arrangements and spilled water all over the floor, and almost all over Lori. The bell rang, and everyone rushed to get in their places.

Then, the music started . . .





The procession was lovely. Maids were radiant and their escorts were proud - and victory-sure. And Bob finally showed off his cute grin. As the queen was announced, a stillness came over the audience. It was, as the cliche goes, "the moment everyone had been waiting for." Lawrence, looking the perfect gentleman, coronated Lori, gently slipping the crown into her hair. Mark tenderly put the robe on her shoulders with a kiss. The ceremonies were truly a dream.

Once again, during the parade, things fell into place. (Meaning, the flower arrangement did its neat little trick again and this time really spilled on Lori!)

At the pep rally, the junior high cheerleaders did a fantabulous job of cheering for the game ahead. Lawrence said that he'd like for us to go to state with a win under our belt, and the crowd agreed in decibels. The football boys really let loose; they knew they had everyone's support and they knew they had the team with which to win their Homecoming game. Needless to say, THEY DID! That night at the game nobody could decide on which side the escort was supposed to walk, but they finally agreed to walk with the girl on the right and her escort on the left. Mr. Wayne Dale Murphy was especially proud that night. He had THREE daughters walking in the same homecoming (a Foreman first), in the first year the Gators had won district 'outright' since he was a captain, (in 1956), and that in itself was one of the true meanings of Homecoming.

For Lori, the special part was, "getting queen."

As the maids walked out onto the field, and their write-ups were read, the audience fell to a hush. This was the 1977 Homecoming - "the year of the Gator," and all of Foreman was proud.

The Homecoming dance, sponsored by the Foreman Kiwanis Club, turned out well. It started out to be a dress-up dance, but apparently not everyone knew that. Some came in jeans, some in blazers and skirts. It was an enjoyable nightcap for a splendid Homecoming.

Football

In early August, training began for newly-appointed head coach Bobby Freeze and the Gators. The actual size of the team had left them with the 1977 graduation, but this year they had a willingness to sweat that was to keep them going strong throughout the season. The most outstanding factor in their favor was to work, and win as one . . .

The Gators began their season by beating Horatio 26-8. This was due to a lot of determination and just enough pressure to live up to that number three state ranking. The pressure, however, was not what won their successive games. It was a combination of some spirit from the band and the cheerleaders, and a strong sense of team togetherness . . .

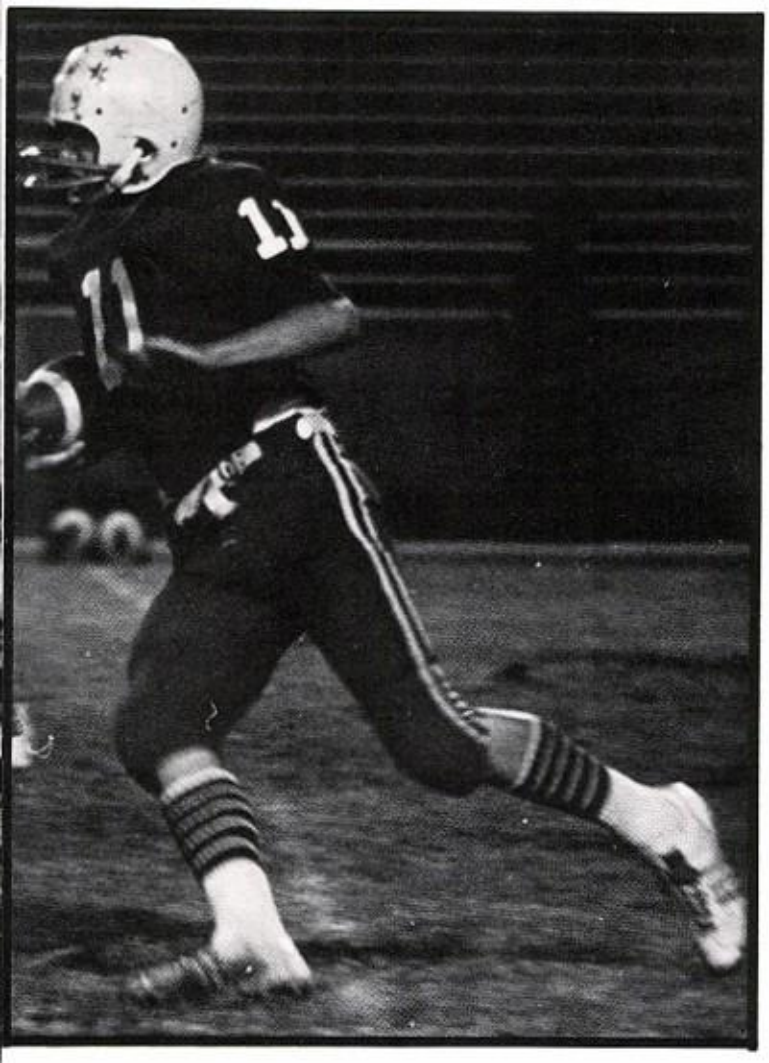
COACH FREEZE: "He was with us from the beginning."

Coach Bobby Freeze began his 1977 season as head football coach unlike any other coach in recent years. He had coached his senior boys in their 8th, 9th, and 11th grade years, literally growing with them (he as a coach, they as a team). As one senior put it, "He knew us."

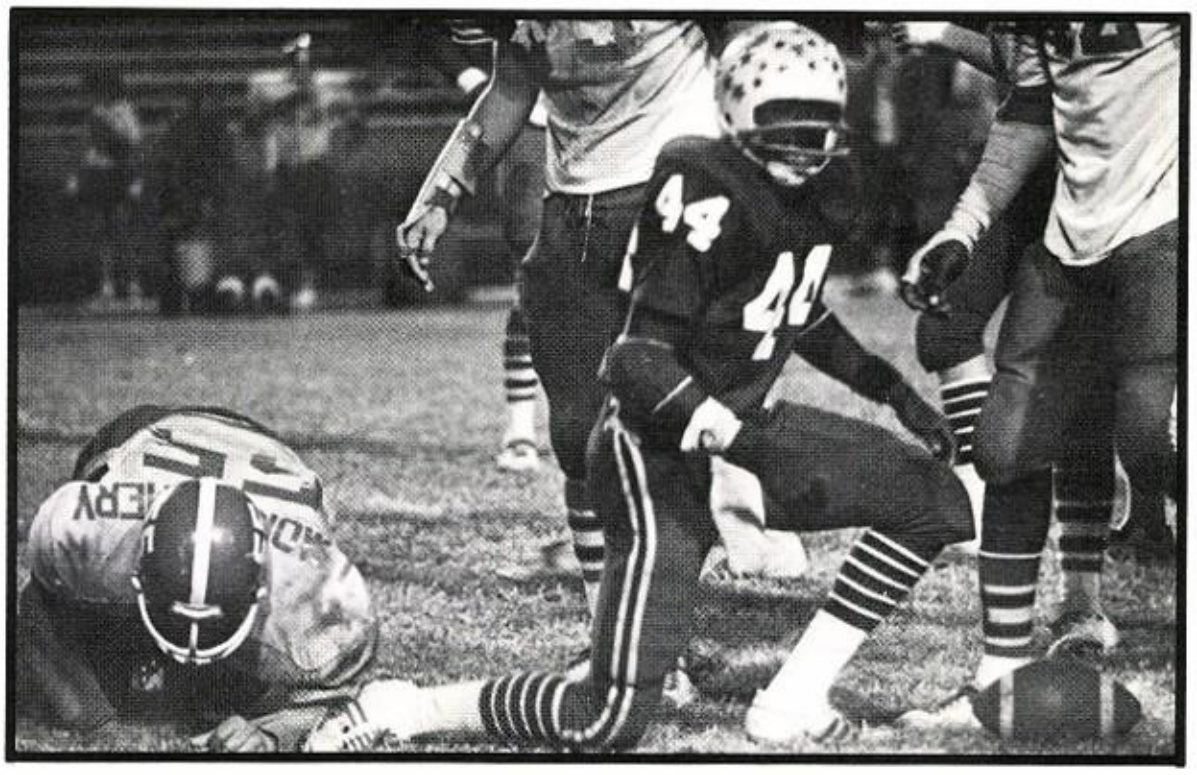
It was that knowledge, (along with a little P.T.A.), that took a relatively small team to the state playoffs.

He was a disciplinarian. It was going to take some pushing, some griping, some regimentation to get to the top. Coach Freeze knew it and made it work. He knew his stuff.

At season's end, hard feelings were at the bare minimum, if there were any at all. The guys were proud of their 7A North District Championship, but prouder still of Coach Bobby Freeze.



Mark runs for a touchdown.



Lawrence wonders, "What happened?"

By unanimous decision, Dierks was voted the most challenging game for the Gators. Coach Freeze put it this way, ". . . I was scared to death. I knew, and the kids knew, that to win this one would mean the district championship. We had to give it all we had, AND MORE. Early breaks gave it all to Dierks, but never quitting and tough playing gave it ALL to Foreman."

Then came the state playoffs with Mt. Pine. Coach Freeze had this to say about it, ". . . We knew what to expect from Mt. Pine but we didn't know they had so many ways to do it. We hit hard and played well but it took its toll on the team after a hard season.

On Winning . . .

Here are few words from the senior Gators concerning their 1977 season. It

". . . was like a dream come true!"

". . . gave me pride and memories that no one can take away."

". . . was great being a senior on a winning team."

". . . was definitely an experience. The guys were brought together and the coaches were the BEST, because they worked with everyone."

". . . meant - we're #1!"

The cycle continues. Juniors will move up to become seniors; sophomores to become juniors. They will have an opportunity to carry on the winning tradition, as the '77 Gators believe they will. For tomorrow is yet another beginning . . .

According to Coach Bert West, the Sr. boys completed a successful season this year with an 18-7 record. The strong points of this year's team were the solid defense and good overall team rebounding. The Gators averaged 62 points per game and allowed only 47 per game. In rebounds, they averaged 44 to their opponent's 33. They capped off their season by winning the district title. Also, Archie Cody and Morris Bradley were named to the all-district team.

Basketball coach Bert West had a very successful first year with the Gators and is expecting big things next year with many returning starters.

Coach West instructs as the Bobsey twins look on.

This year's team was relatively young and inexperienced, but with potential. Their season record was 7-15. With many lettermen returning, they expect to greatly improve next year.

The Gatorettes have six girls returning that were starters at one time or another. Coach Bert West says that Martha Monroe, an all-district forward and the team's leading scorer, will be back next year. Also returning is Brenda Hardwick, the leading rebounder.

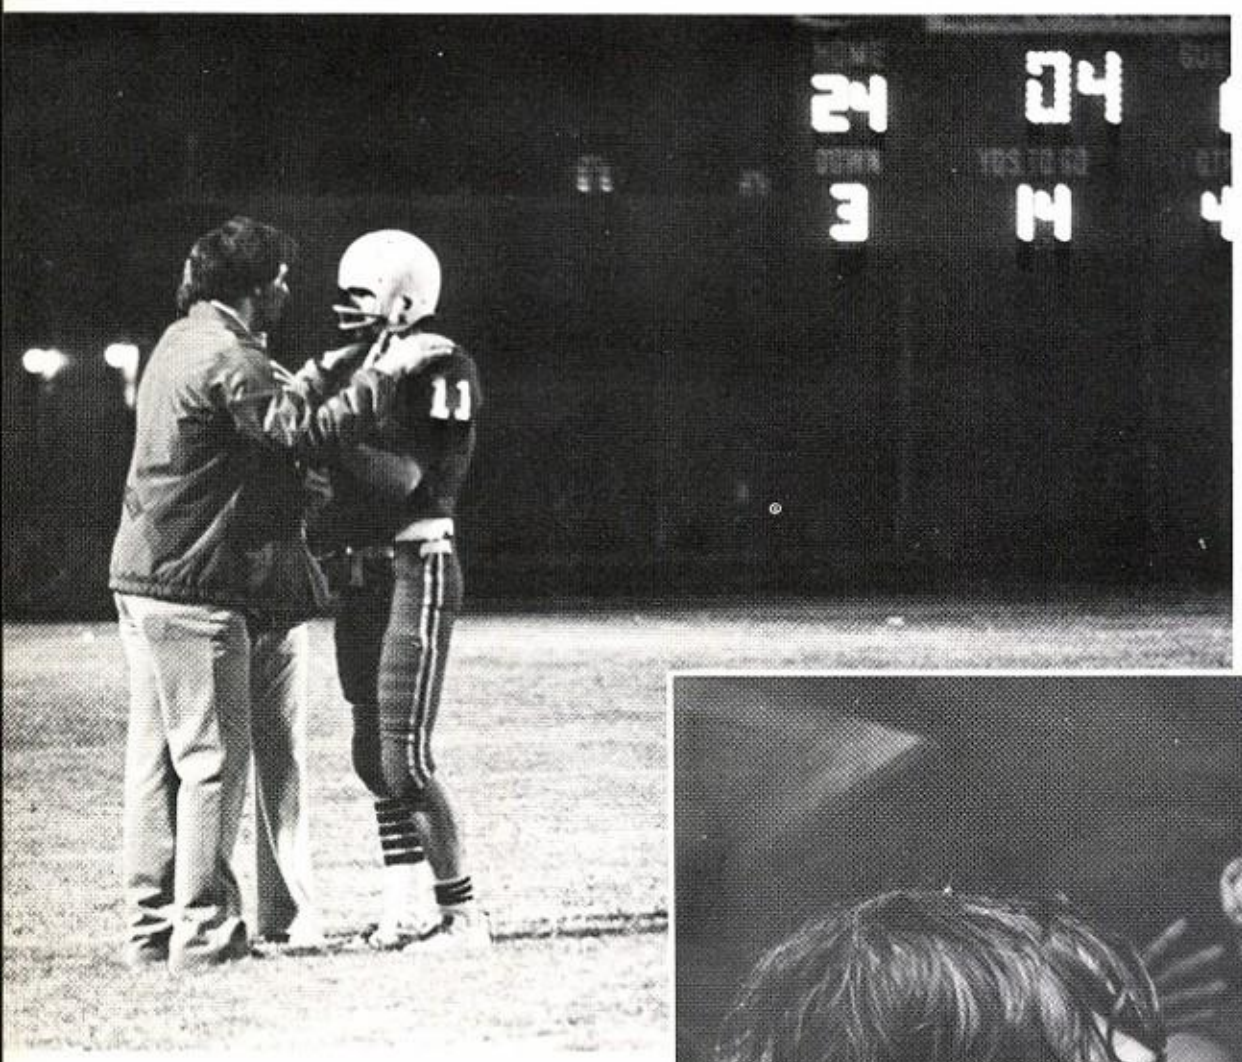
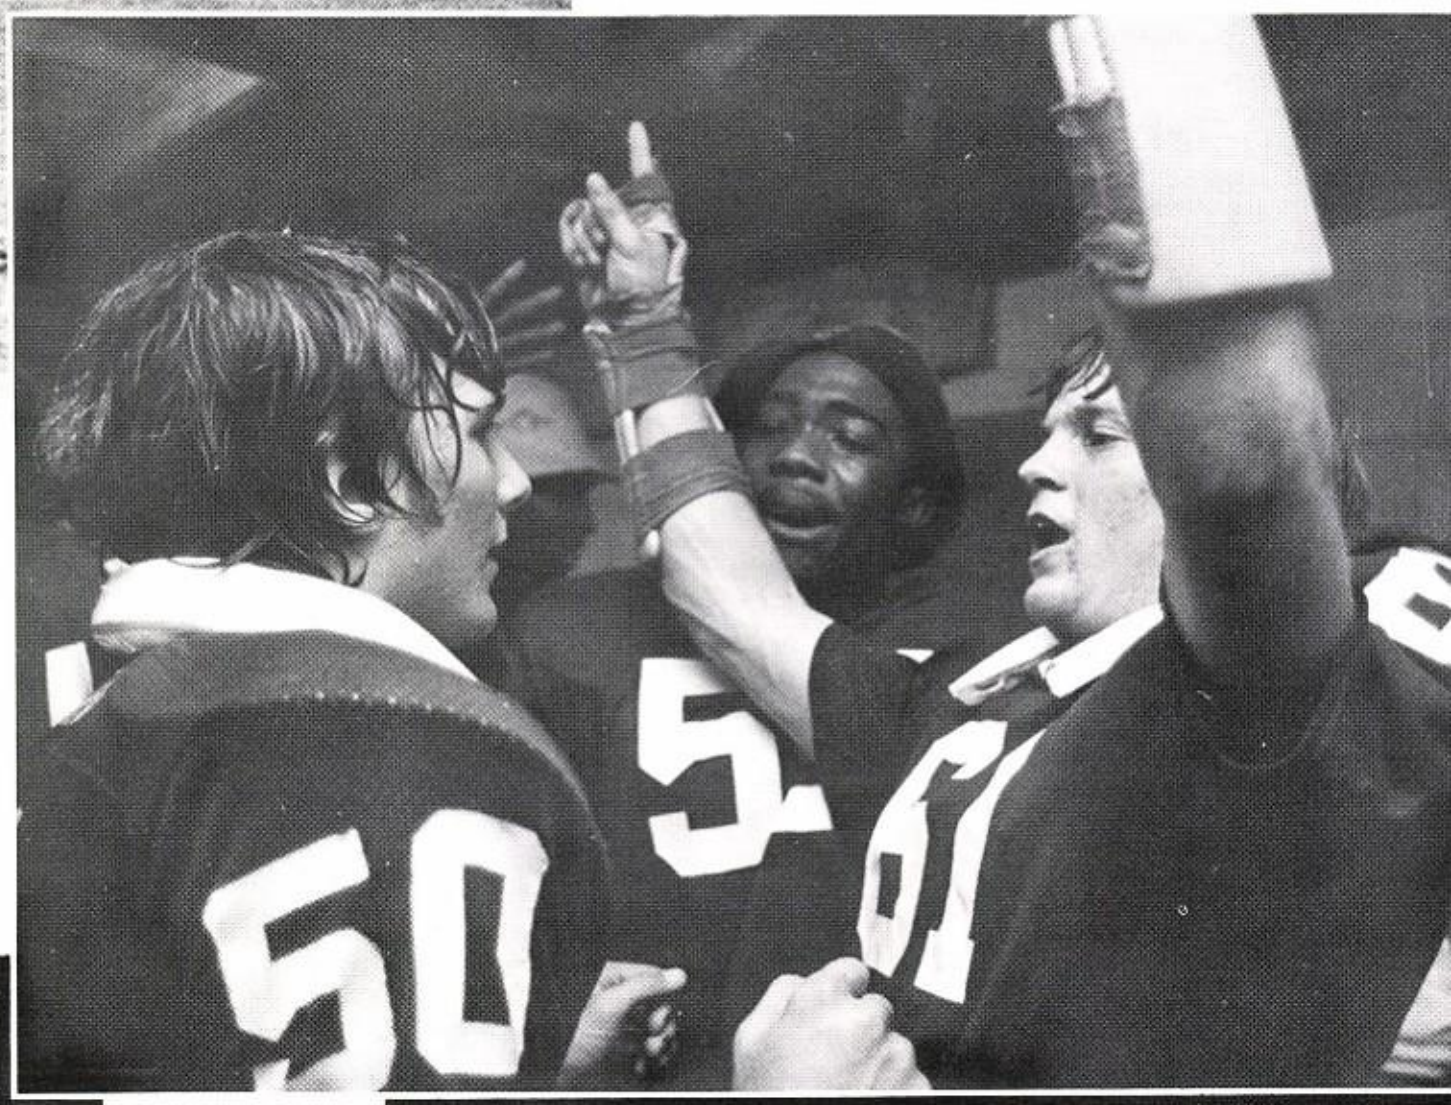
District Champs — 7A North Football



The year 1977-78 will go down in Foreman sports history as a landmark year. Not only did we win the district title in football, we duplicated the honor with a district title in basketball. This was the first time since 1956 the Gators had won district in football "outright" (we were co-champs in 1969). Although we had won numerous basketball trophies in the past, this was the first time in many years that we had won the SENIOR BOYS district trophy, unchallenged. Are we proud of this "double-district" distinction? You can believe it!!!



UPPER LEFT: As the scoreboard shows, Mark S. is having one LAST conference with Coach Freeze.
RIGHT: Morris and Mark H. agree with Mark C. as he exclaims, "We're No. 1!!" after the Dierks game.
LOWER LEFT: Willis helps to capture more yardage for the Gators.
LOWER RIGHT: Danny H. leads the way for Lawrence C.

Rendall learns what $E=mc^2$ means - ENERGY.

On your mark . . . Get set . . . GO!!! And the Gator track team is off and running!

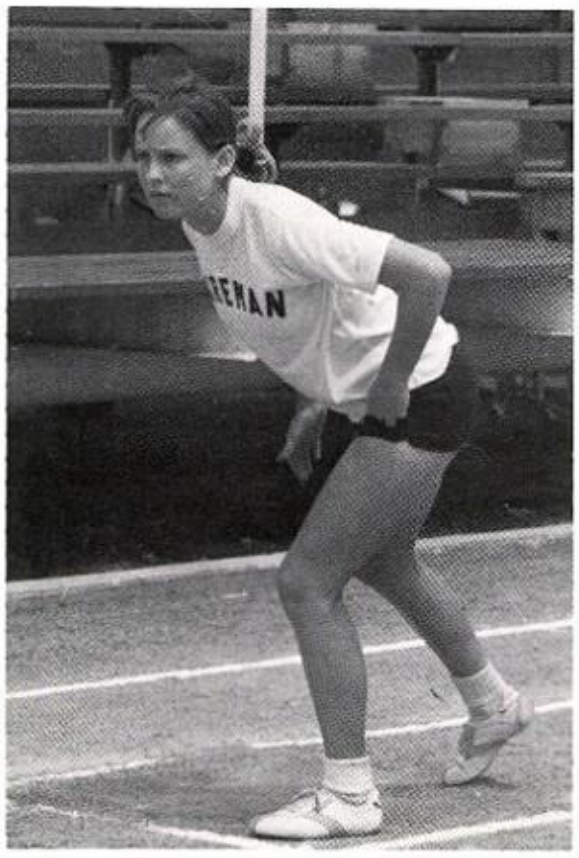
At the starting line for the sprints stand speedsters Lawrence and "Pooter Rabbit." Dexter and Mark are loosening up for the relay with a vision of victory in their minds. Wayne's got his mind on two things - hurdles and the 440 relay, but at least he knows he's got help on the relay from "Too Tall." For Ray and "Worm," the mile run s-t-r-e-t-c-h-e-s ahead. Pete decides he's got the stuff to hack the 440. Dean and Stan KNOW (or hope) they've got this 880 dash licked. Two miles is a long, long way, but Bill and Wade are sure they can take it. Rod looks at the other pole vaulters to size them up, and "sizes" favorably.

These hardworking guys lost the district title by a mere four points to Dierks, but Wayne Watlington and Willis Smith (high point men at the district meet), Dean Klug, Rod McElhannon, Lawrence Cursh, Dexter Dunn, David Daniels, and Pete Johnson got to enter the state finals in Arkadelphia in both individual and team events. Now are we great? Heyyy!!!

The senior high girls' track team was out on the track running, panting, hurdling, sweating, throwing, and seeing double when track season opened, and their efforts showed.

Altogether, these twelve girls ran the 880, 440, and mile relays, the 220 and 100 yard dashes, the hurdles, and threw the shot and the discus.

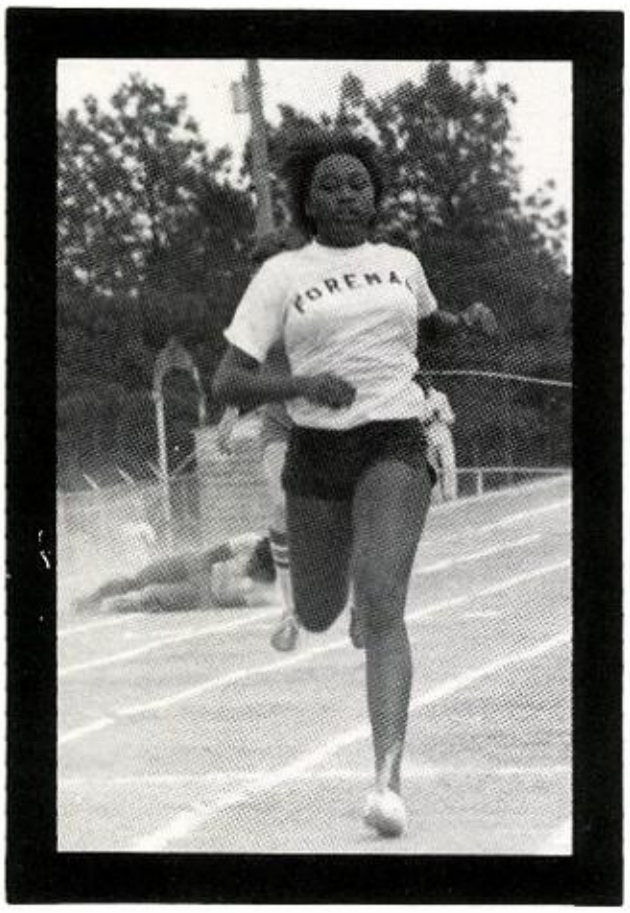
At the state track meet in Arkadelphia, the relay team, consisting of Venita, Versia, and Georgia, and Renee, set two new records of 52.6 in the 440 and 1:51 in the 880. Sheila was second in the shot put and Versia won the 220 dash in a record setting time of 26.9. The team as a whole came in third in State, but they have a good shot at it next year, and they will "DO IT - TO IT!"



On your mark . . . Get set . . . GO!!

"Well, it's not my fault!" claims Renee.

"Let me see if I can land on that bug down there," says Versia.



Georgia Fields "guts it out while running the relay."

Pam Weed takes a breather after winning the 880.

Sheila prepares for a "big spin-off."

The Sr. High Band started the 1977-78 school year with a new director, Mr. Thomas Calloway. Mr. Calloway got the band to play more peppy and encouraging music at all the football games - besides working up several new half-time shows. The band played at all the pep-rallies, and even traveled to the state-playoffs with hall the town of Foreman!

After football season, the band presented several concerts. A few of the members even went to the Solo and Ensemble Contest and some tried out for All-Region.

The year ended successfully with an awards banquet, which was held in the high school cafeteria.

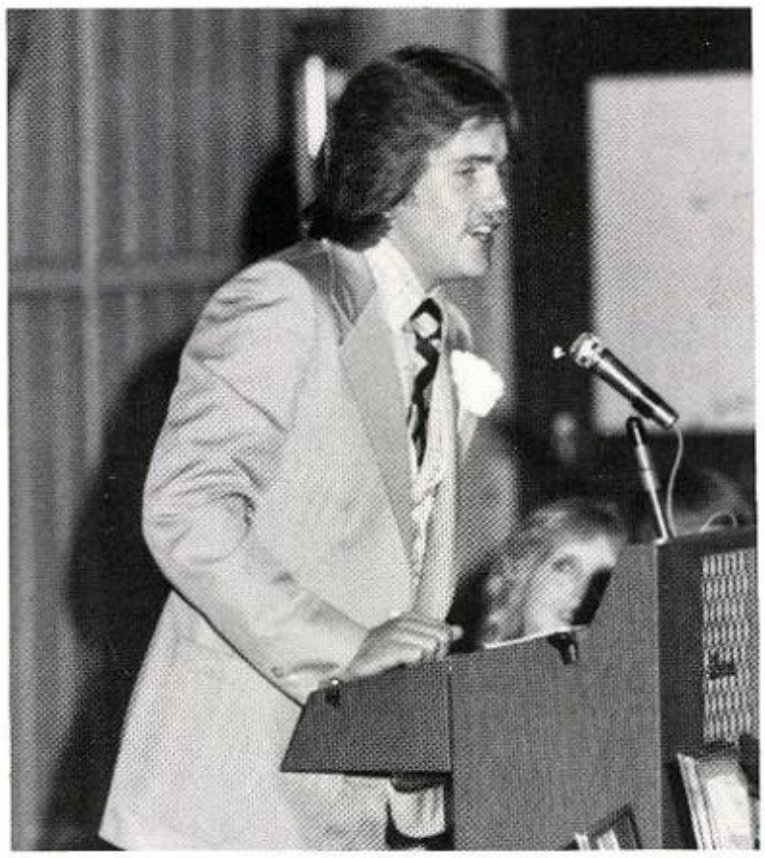
All-Sports Banquet



Just because Mrs. Hallie Anderson's granddaughter, Cindy Sagely, married an aspiring young Arkansas Razorback kicker, we got one of the most popular sports figures in the nation to speak at our Sports Banquet. Who was this "man for All Sports?"

Why, Steve Little, of course!

He together with district titles in basketball and football made the 1978 All-Sports Banquet a real success.

There were other sparkling facets of the banquet, but some, like Coach West's brilliant monologue, were better left at home. (Not really)

Spirited conversation bubbled from table to table before, during, and after the banquet, for "Foremanites" love to talk. Lively humor sparked the speeches during the awards presentation. Later on came autograph signing and picture taking time.

The awards given at the All-Sports Banquet are as follows: FOOTBALL: Dedicated - Danny Hawkins; Improved - Wayne Watlington; MVP - Mark Cleghorn. GIRLS' BASKETBALL: Improved - Versia Easter; MVP Offense - Martha Monroe; MVP Defense - Sheri Broomfield; Rebound - Brenda Hardwick. BOYS' BASKETBALL - Improved - Carl Compton; MVP Offense - Archie Cody; MVP Defense - Morris Bradley; Rebound - Archie Cody. GIRLS' VOLLEYBALL - Alcie Mae Cursh.

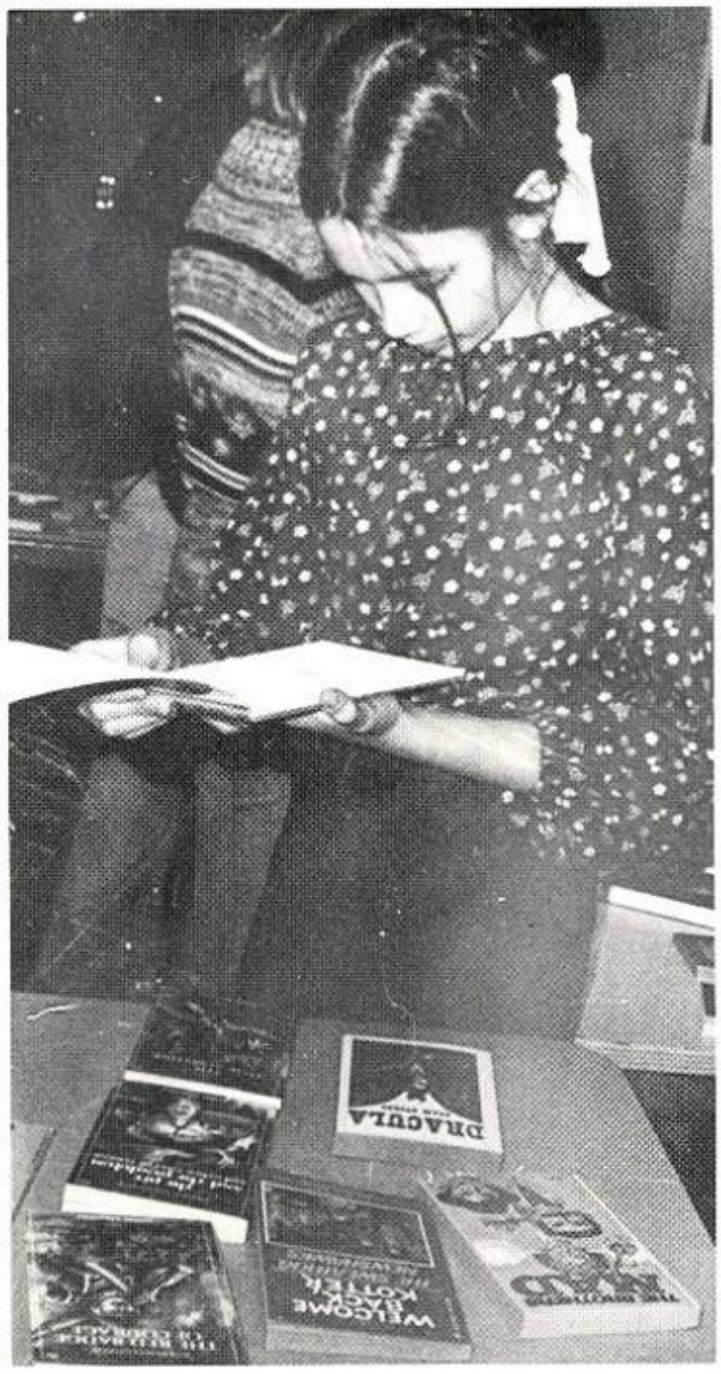
The gymnastics team went so far as to stand on their heads to entertain us.

Freddie Southerland finds a resting place during the carnival.

Kristi nearly lost her crown.



Angela picks out a book.

In October the Foreman Parent-Teacher Association began its activities by sponsoring an all-school assembly in the high school gym where the students watched a display of gymnastics by the Idabel, Oklahoma, High School Gymnastics Team. Their performance was excellent and the student body responded warmly to it.

The main fund raising project was the Harvest Festival held in November. The Festivities included basketball throws, bingo, bean bag games, cake walks, a cherry booth, a fishpond, a fortune-teller, a haunted house (FBLA), and plenty of delicious refreshments. Following the festivities, crowning the king and queen, introducing each of the princes and princesses, plus the announcing and awarding of the prizes brought the Harvest Festival to a successful conclusion.

In March the PTA's Book Fair and Bake Sale, held after open house, completed another successful year with the help of the PTA and NHS members.

Sure you can work out a traffic system with just one telephone. Or at least you can try. But a separate teen telephone doesn't cost very much. A few baby sitting jobs will pay for it. Elizabeth
I've hardly had
time to get to know you
since we've only been in
school 2 days, but I hope
we get to be friends through
the years. Sonya Traywick

From beginning
to beginning
Life swiftly flies
from one adventure
to another.
In everything
the truth lies -
Seek it earnestly in
all matters!

Be not dismayed
if the events
of the day appear to
turn against you.
Keep faith in
yourself
and love for your friends -
You're sure to gain
wisdom before
the day ends.

Fear not the
changing of time
nor despair the passing
of your youth.
Welcome the future
while remembering -
One end may be the
path to another
beginning.
